    - (i) generally—3 months after the local government gives the notice of intention to sell the land; or
    - (ii) if the rates or charges were levied on a mining claim—1 month after the local government gives the notice of intention to sell the land.
- (2) The local government must start the procedures mentioned in [section 142\(4\)](#) for selling the land within 6 months after the local government gives the notice of intention to sell the land to the registered owner of the land.
- (3) The local government must end the procedures at the earliest of the following—
  - (a) the local government is paid—
    - (i) the amount of the overdue rates or charges; and
    - (ii) all expenses that the local government incurs in attempting to sell the land;
  - (b) the land is sold;
  - (c) 1 year after the notice of intention to sell is given to the registered owner.

### 142 Procedures for selling land

- (1) This section sets out the procedures that a local government must follow when selling land for overdue rates or charges.
- (2) The local government must first offer the land for sale by auction.
- (3) The local government must prepare an auction notice.
- (4) At least 14 days, but not more than 35 days, before the day of the auction, the local government must—
  - (a) give a copy of the auction notice to everyone who was given a notice of intention to sell the land; and
  - (b) publish the auction notice on the local government's website; and
  - (c) display the auction notice in a conspicuous place in the local government's public office, until the day of the auction; and
  - (d) display the auction notice in a conspicuous place on the land unless it is not reasonably practicable to do so because the land is in a remote location or difficult to access; and
  - (e) take all reasonable steps to publish the auction notice in another way to notify the public about the sale of the land.

*Examples of other ways to publish the auction notice—*

publish the auction notice in a newspaper that is circulating generally in the local government area or on a real estate trading website

- (5) However, if—
  - (a) the land is a building unit; and
  - (b) it is not practicable to display the auction notice in a conspicuous place on the land;

the notice may be displayed in a conspicuous part of the common property for the building units.

- (6) In this section—

  - (a) the day, time and place of the auction; and
  - (b) a full description of the land.
