## 6. How does an applicant apply?

Applicants must register and apply for funding through Council's website using the online application portal *SmartyGrants*.

Before registering or applying, applicants must thoroughly read and understand this information kit. The information kit is updated every round.

Applicants will receive an email acknowledging receipt of their application. This email will contain a unique reference number which should be quoted when making enquiries about your application.

#### 7. How often can an applicant apply?

An eligible applicant can submit one (1) application per category (Organisation Support, Project Support or Conservation Grant) under the Community Grants Program. These must be for different projects. Where applicants have submitted multiple applications in any one (1) category under the Community Grants Program for the same project, they will be requested to select one application only for consideration.

Where applicants have submitted multiple applications for the same project in any Council programs, they will be requested to select one (1) application only for consideration. For example, an applicant cannot apply for grant funding for the same project or event via Sponsorship, Community Grants, Village Events and Activation Grant (VEAG), Regional Arts Development Fund (RADF) and Mayor and Councillors Community Benefit Fund (MCCBF).

Projects that have the same or similar outcome that have been funded under any other Council programs including: operational funds; Sponsorship; the Regional Arts Development Fund; and the Mayor and Councillors Community Benefit Fund are not eligible to re-apply in following years.

Where an applicant applies in the same category for consecutive rounds, the previous successful application must be acquitted.

Where an applicant has received a successful application for three (3) consecutive years, it is less likely to be prioritised for funding.

An auspicing organisation is permitted to auspice multiple organisations in anyone funding round, provided it does not have an outstanding acquittal from an application in a previous funding round.

## 8. Timing / Important Dates

The Community Grants Program has two funding rounds per year. Funding rounds are open for a period of four (4) weeks. Applications can only be submitted when a funding round is open. Opening and closing dates of each round are published on Redland City Council's website when available.

The grant assessment process may take up to three (3) months from the round closing date.

Further information can be found on Council's auspicing fact sheet at the following link: <u>https://www.redland.qld.gov.au/download/downloads/id/3664/what\_is\_sponsoring\_auspice\_f</u> <u>act\_sheet.pdf</u>

Applicants who are ineligible to apply for a grant are also ineligible to auspice an applicant. An auspice agreement is required to be obtained prior to submitting an application.

Organisations that hold a licence for more than 20 gaming machines are eligible to auspice an applicant if it can be demonstrated they would not directly benefit from the applicant receiving the grant.

Individuals are eligible to apply for funding under the Conservation Grant for subcategory Wildlife Carer Support.

#### Australian Business Number (ABN)

All applicants should have an ABN. Organisations that have not registered for an ABN will have the withholding tax (PAYG) of 47.0 per cent deducted from their payment if they do not complete a 'Statement by a supplier' form. To obtain a form, visit the Community Grants website www.redland.qld.gov.au/Grants.

To register for an ABN, contact your accountant or visit the Australian Business Register at www.abr.gov.au.

## 10. What will NOT be funded

The Community Grants Program supports projects that demonstrate clear alignment with the program and strategic goals. Project activities that are considered to be outside of the scope of the program or are the responsibility of the applicant or their identified partners will be deemed ineligible.

The following activities are ineligible for funding under this program:

- Projects for fundraising purposes where proceeds will be provided to a third party.
- Projects of a political nature or those which incorporate political activities.
- Projects operated for commercial purposes.
- Day-to-day operational costs for an organisation, including staff wages, rent and insurances (unless there is evidence it is an additional expense incurred by the funded project).
- Projects which begin before grants are awarded (no grants will be awarded retrospectively).
- Payment of debts to any entity including Council.
- Recurrent projects under Project Support and Conservation Grant. Organisation Support can accept recurrent project if requested after 5 years of pervious funding being awarded.
- Projects considered the core responsibility of other levels of government.
- Project costs already supported through other levels of government.
- Events or activities in competition or conflict with Council.
- Projects that have the same or similar outcome that have been funded under any other Council programs including but not limited to operational funds, Capital Infrastructure Grant, Sponsorship, the Regional Arts Development Fund (RADF) and the Mayor and Councillors Community Benefit Fund (MCCBF).
- Capital works and fixed structures.
- Project costs incurred outside the funding period.
- Purchase of vehicles or large capital items.
- Purchase of alcohol, prize money or prizes including gift cards.
- Donations.
- Veterinary fees under the Conservation Grant.

## Grant funding for equipment

Applicants are encouraged to seek funding for standalone equipment through other funding programs outside of Council, such as the Queensland Government's Gambling Community Benefit Fund (GCBF). Further information on this program is available at www.gamblingcommunityfund.gld.gov.au

Requests for funding towards equipment can be considered if:

- a) the equipment is essential to delivery of the project and there is demonstrated need, and
- b) the amount is not greater than \$3,000 or 30% of total project cost (whichever is lesser).

This requirement is not applicable to the subcategory Wildlife Carer Support under Conservation Grants, where equipment can constitute 100% of the total project cost.

## Grant funding for administration costs

Administration costs of 5% of the total project cost or \$500 (whichever is lesser) can be included if an organisation can demonstrate that significant costs will need to be incurred to deliver the project.

## **11. Application Requirements**

An applicant must provide:

- Last signed audited financial statement or annual treasurer's report.
- Public liability (\$20 million) certificate of currency.
- Project plan or event management plan.
- Itemised budget clearly outlining what requested funding will be used towards.
- Two written quotes are required per expenditure item requested.
- Written land owner's consent from land owner must be provided.
- Where funded projects are held in a Council building or facility, the building must meet all requirements of a building compliance inspection per the terms of the lease agreement.
- Evidence of support for and partnerships with other organisations in your application is highly desirable.

Applicants are required to submit documents to demonstrate appropriate governance and management processes for the project, event or activity. A number of templates are available for reference at the following link: https://www.gld.gov.au/about/events-awards-honours/events/running-events.

Applicants should consider all current State and Federal Government COVID-19 guidelines and health advice regarding their event.

#### Temporary Entertainment Event Permit

Provision of grant funding for events will be dependent on a Temporary Entertainment Event Approval under Redland City Council's Local Law 1.12 through Council's Environmental Health Team.

A Temporary Entertainment Event application should be in progress, prior to submitting your funding application. If your project does not require any approvals, you will need this confirmed in writing.

Contact Council's Environmental Health Team on (07) 3829 8999 for further information.

#### Insurance

It is the applicant's responsibility to obtain and maintain adequate insurance (including public liability up to \$20 million) with a reputable insurer, in relation to activities carried out by the applicant for the project, to guard against any claims for loss or damage to property and injury or death to persons.

The applicant is also responsible for ensuring a safe work environment in accordance with Workplace Health & Safety (WH&S) Act 2011 and its associated Regulation and Codes of Practice.

Where applicable, the applicant is to obtain and maintain workers compensation insurance in accordance with applicable legislation and where relevant, ensure appropriate Council approvals can be obtained to complete your project.

## 12. How is an application assessed?

Both the applicant and the project, event or activity must be eligible for funding for the application to be considered. Please ensure you have read and understood the eligibility requirements and the objective of the Community Grants program and how your application will align to this.

Only information contained in an application will be assessed.

The project will be assessed and weighted on the quality of the information and how well it meets the assessment criteria identified below:

## **Program / Strategic Priorities**

Ability to achieve one or more of Redland City Council Strategic Goals outlined in <u>Our Future</u> <u>Redlands – A Corporate Plan to 2026 and Beyond.</u>

• Ability to achieve one or more of the program objectives.

#### **Benefits / Opportunities**

- Project responds to identified needs and emerging local issues.
- Project provides positive outcomes and benefits for the community.
- Where appropriate project demonstrates evidence of strategies that enable the project to continue beyond the life of the funding.

#### Partnerships

- Evidence of involvement from other relevant organisations in either the planning or delivery of the project.
- Evidence of partnership contributions either in-kind or monetary.

#### Ability to Deliver

- Project demonstrates appropriate qualifications and/or level of experience of individuals/organisations delivering activities.
- A project plan demonstrates capacity of the organisation to undertake all aspects of the project, including milestones, evaluations, marketing, deadlines and the acquittal process.
- Budget is comprehensive, realistic and represents value for money.
- An in-kind or monetary contribution towards the overall cost of the project is evident.

The number of grants awarded and the value of grants will be at Council's discretion and will reflect the merit of applications, and in particular, the needs of the city. Council reserves the right to offer applicants a lesser amount than requested.

If an applicant has previously been approved for funding from Council, the delivery and outcomes of those projects will be taken into consideration. Applicants that have outstanding matters with Council can be refused funding for their project.

## 13. Budget

Applicants must provide an itemised budget for the project, event or activity including all income, expenditure and in-kind costs. The application must clearly demonstrate which expenditure items funding will be used towards, should the application be successful.

Please ensure that the application includes:

- Two (2) quotes for each grant expenditure item.
- Local suppliers must be used unless items cannot be sourced locally.

#### Budget Sample

Project costs – list items required (Include GST component only if not registered for GST)	Amount (\$)
Traffic Management	\$1,500
Catering	\$600
Venue Hire	\$1,500
Marketing and Communication	\$1,000
Training	\$800
Total Grant Amount Requested	\$5,400

Applicant's cash contribution (indicate cash/in-kind)	Amount (\$)
Administration Costs (in-kind)	\$1,000
Materials (cash)	\$600
Total Amount	\$1,600

Total project cost is \$7,000.

Grant amount requested \$5,400.

Paid amount **\$5,940.00** (approved grant amount inclusive of GST).

If your application is successful and your organisation is registered for GST, Council will add the GST on top of the approved grant amount – this GST component is declared to the Australian Taxation Office (ATO).

#### 14. Outcome Process

#### Successful Applicants

Applicants that are successful in obtaining funding will be advised in writing and required to:

- enter into a Funding Agreement and agree to its terms and any special conditions; and
- provide an invoice before payment will be processed.

Once all funding conditions have been completed and a valid tax invoice has been provided, payment of the awarded funding will be released by Council.

## Goods and Services Tax (GST)

Applicants must advise whether they are registered for GST. GST can affect your grant in the following ways:

- Total amount paid for goods and services purchased using the grant funding.
- Total grant or sponsorship funding approved.

If an application submitted by an organisation which is registered for GST is successful, an additional 10% will be automatically added to the grant or sponsorship amount to cover the GST component. This will ensure no out of pocket expenses for organisations that are registered for GST.

For advice on GST, contact your tax advisor, or the Australian Taxation Office on 13 24 78 or www.ato.gov.au

## Unsuccessful Applicants

Unsuccessful applications will have the opportunity to seek feedback so improvements can be made prior to the next round.

## 15. Program Delivery

#### **Project Monitoring and Reporting**

Applicants must complete milestone reporting via *SmartyGrants* relating to progress of the funded activity. Automated milestone reports are sent to grant administrators to complete within a specified timeframe. If a project or event has not achieved a required milestone, applicants must contact the Community Grants Team to resolve this.

#### Variations

Funding must be used in accordance with the Funding Agreement. Any changes to the grant activities undertaken or the project duration must be approved by Council. All grant funds must be spent within the funding agreement period.

Any changes to the project activities or project duration must be approved by the Community Grants Coordinator or Group Manager Communities dependent on the type of variation. Request for variations must be submitted and approved via *SmartyGrants* before the project end date.

Approval must be sought and approved in writing by Council before you undertake any changes. Variations cannot be sought after the Funding Agreement end date. Funds expended on unapproved variations will be recalled by Council after the acquittal is submitted.

#### Acquittal

Applicants must acquit funds that have been provided at the completion of the project or activity within fourteen (14) days of the project end date via your *SmartyGrants* account. This includes providing adequate receipts or evidence of approved expenses that at least equal the amount of the grant. For this purpose, applicants are required to keep all receipts for items purchased.

The acquittal form requires you to provide information on the completion of the project activity. This is a report on the project activity, including objectives, outputs and impact, and includes a financial statement. Ensure all receipts are provided as evidence of the grant expenditure.

A statutory declaration or certification from external auditors in lieu of receipts or invoices will not be accepted.

Should an applicant not acquit grant funding, they will remain ineligible under future funding rounds until such time as the acquittal is provided and is approved by Council.

#### Repayment of Grant

When acquittal cannot be satisfied or the awarded funding was underspent, the grant recipient must repay Council:

- (a) Within 30 days of our request or as otherwise agreed, any part of the grant spent on purposes not approved by the Funding Agreement;
- (b) Any and all unexpended grant unless otherwise agreed, within 30 days or the earlier of:
  - i) the end date
  - ii) termination of the Funding Agreement;
- (c) Any difference between the actual project costs and the budget costs which are greater than \$100 (where the budget costs exceed the project costs).

All repayments must reflect any associated GST component relating to the original payments.

## 16. Support and Assistance

The Community Grants Team can provide information to applicants about the Community Grants Program and are available to assist with identifying the most suitable category for your project. Applicants can organise a time to meet with a Council officer who can provide advice in the development of your project/application.

Applicants are strongly encouraged to seek assistance to ensure their application meets the objectives of the category they are applying under and to increase the chances of being successful in receiving funding.

For information about Council's Community Grants Program, visit Council's website, or contact the Community Grants Team or Council's Customer Service Centre.
