

# Community Grants Program

## 2024/25 Round 1 – Project Support

### Awarded Applications

Grant ID	Organisation Name	Project Title	Approval Amount
PS-2425-1-003	Wellington Point Trader and Community Group	<b>Wellington Point Christmas Markets</b> Wellington Point Village is a strip shopping Village situated on Main Road. To celebrate the local community and boost the local economy the Traders and community members are planning to hold our Annual Community Christmas Street Market Celebration.	<b>\$10,000.00</b>
PS-2425-1-006	North Stradbroke Island Golf Club Inc.	<b>NSIGC Website Redevelopment</b> The NSIGC website project will turn the Straddie Golf Club website into a vehicle capable of marketing the Community's vision for the Straddie Golf Club. The current website was scripted in 2015 by Golf Industry Central. Its focus is golf. Its goal was the Club's survival. It has been eminently successful. Since 2015 successive Club management committees have consulted widely to develop a new, broader vision for the Club which aligns with Community expectations. This project will create a website aligned with the community's vision that markets the Club as a recreational resource for the community.	<b>\$10,000.00</b>
PS-2425-1-008	Karragarra Community Garden	<b>Water connection to Community Garden Block</b> The Karragarra Island Community Garden Food Forest requires a water connection to the front of the block as there is no water available on this block of land. The block has many established fruit trees and food plants grown for the local community over the last 5 years.	<b>\$2,358.50</b>
PS-2425-1-016	Women of Trades and Industry	<b>Future Ready Female Trades</b> Get the Girls on the Tools is a series of hands-on workshops designed to empower women by introducing them to the skills and opportunities within the trades and construction industry. These workshops offer practical, on-site training where participants can learn essential trade skills such as plumbing, carpentry, and electrical work. The aim is to build confidence, break down barriers, and provide a supportive environment for women to explore career paths traditionally dominated by men. By focusing on skill development and fostering a community of like-minded individuals, the initiative seeks to inspire women to pursue careers in trades, thus promoting gender diversity within the industry and helping fill local workforce gaps. These workshops are an essential step toward ensuring that women have equal access to trade careers and the economic opportunities that come with them.	<b>\$2,325.00</b>
<b>Total Project Support Funding</b>			<b>\$24,683.50</b>
