5 RECEIPT AND CONFIRMATION OF MINUTES

5.1 GENERAL MEETING MINUTES 17 SEPTEMBER 2014

Motion is required to confirm the Minutes of the General Meeting of Council held on 17 September 2014.

6 MATTERS OUTSTANDING FROM PREVIOUS COUNCIL MEETING MINUTES

6.1 CLEVELAND AQUATIC CENTRE LEASE

At the General Meeting of 21 May 2014 (Item 16.1.1 refers) Council resolved "*That this item be deferred*".

This Item is listed as Item 16.1.1 for Council consideration.

6.2 NOTICE OF MOTION – CR OGILVIE – INTERNET AND WIFI SPEEDS IN THE REDLANDS

At the General Meeting of 20 August 2014 (Item 14.2.1 refers) Council resolved as follows:

“That Council resolves to request a report on the following:

- 1. The feasibility of utilising direct wireless technology to enhance internet speeds in the Redlands; and*
- 2. The viability of provision of public wi-fi nodes in the Redlands business districts”*

A report will be presented to a future General Meeting for consideration.

6.3 COUNCILLORS' CODE OF CONDUCT

At the General Meeting of 3 September 2014 (Item 12.2.1 refers) Council resolved that this item 'lie on the table'.

This Item will be presented to a future General Meeting for consideration.

6.4 REQUEST FOR REPORT – PUBLIC VEHICLE ACCESS TO 'THE BASIN' AT AMITY

At the General Meeting of 17 September 2014 (Item 14.1.1 refers) Council resolved that a report be prepared for Council's consideration on the potential of facilitating public vehicle access to the area known as 'The Basin' at Amity.

A report will be presented to a future General Meeting for consideration.

6.5 REQUEST FOR REPORT – SHARK NET ENCLOSURE, RABY BAY FORESHORE

At the General Meeting of 17 September 2014 (Item 14.1.2 refers) Council resolved to:

1. Investigate the need and opportunity for a shark net enclosure to be installed on the Raby Bay (Masthead Drive) foreshore; and
2. That the report to Council include financial implications so that consideration can be given to possible inclusion in the Capital Works program.

A report will be presented to a future General Meeting for consideration.

7 PUBLIC PARTICIPATION

In accordance with s.42 Redland City Council Meetings – Standing Orders:

1. Council may by resolution set aside a maximum of 15 minutes to permit members of the public to address the local government on matters of public interest relating to local government. The time given to each member of the public for their address will not exceed 5 minutes and the maximum number of speakers will be decided by the Chairperson.
2. A member of the public wishing to attend and address a meeting may either:
 - (a) make a [Written Application](#) to address the meeting, which must be received by the Chief Executive Officer, no later than 4.30pm two days before the meeting; or
 - (b) make a request to the Chairperson at the commencement of the public participation period, when invited to do so by the Chairperson.

3. The right of any member of the public to address the local government is at the absolute discretion of Council. Priority will be given to persons who have made a written application to speak at a meeting, in accordance with Council's Meetings Standing Orders.
4. If any address or comment made by a member of the public addressing a meeting is irrelevant, offensive, or unduly long, the Chairperson may require the person to cease their address.
5. Any person addressing a meeting will -
 - (a) unless they are incapacitated or it is otherwise unreasonable for them to do so, stand; and
 - (b) speak with decorum; and
 - (c) frame any remarks in respectful and courteous language.
6. If a person is considered by the local government, Mayor or Chairperson to be unsuitably dressed, the person may be directed to immediately withdraw from the meeting. Failure to comply with a direction may be considered an act of disorder.

8 PETITIONS AND PRESENTATIONS

Councillors may present petitions or make presentations under this section.

9 MOTION TO ALTER THE ORDER OF BUSINESS

The order of business may be altered for a particular meeting where the Councillors at that meeting pass a motion to that effect. Any motion to alter the order of business may be moved without notice.

10 DECLARATION OF MATERIAL PERSONAL INTEREST OR CONFLICT OF INTEREST ON ANY ITEMS OF BUSINESS

Councillors are reminded of their responsibilities in relation to a Councillor's material personal interest and conflict of interest at a meeting (for full details see sections 172 and 173 of the *Local Government Act 2009*). In summary:

If a Councillor has a material personal interest in a matter before the meeting:

The Councillor must—

- *inform the meeting of the Councillor's material personal interest in the matter; and*
- *leave the meeting room (including any area set aside for the public), and stay out of the meeting room while the matter is being discussed and voted on.*

The following information must be recorded in the minutes of the meeting, and on the local government's website—

- *the name of the Councillor who has the material personal interest, or possible material personal interest, in a matter;*
- *the nature of the material personal interest, or possible material personal interest, as described by the Councillor.*

A Councillor has a **material personal interest** in the matter if any of the following persons stands to gain a benefit, or suffer a loss, (either directly or indirectly) depending on the outcome of the consideration of the matter at the meeting—

- (a) the Councillor;
 - (b) a spouse of the Councillor;
-

- (c) a parent, child or sibling of the Councillor;
- (d) a partner of the Councillor;
- (e) an employer (other than a government entity) of the Councillor;
- (f) an entity (other than a government entity) of which the Councillor is a member;
- (g) another person prescribed under a regulation.

If a Councillor has a conflict of interest (a *real conflict of interest*), or could reasonably be taken to have a conflict of interest (a *perceived conflict of interest*) in a matter before the meeting:

The Councillor must—

- *deal with the real conflict of interest or perceived conflict of interest in a transparent and accountable way.*
- *Inform the meeting of—*
 - (a) *the Councillor's personal interests in the matter; and*
 - (b) *if the Councillor participates in the meeting in relation to the matter, how the Councillor intends to deal with the real or perceived conflict of interest.*

The following must be recorded in the minutes of the meeting, and on the local government's website—

- (a) *the name of the Councillor who has the real or perceived conflict of interest;*
- (b) *the nature of the personal interest, as described by the Councillor;*
- (c) *how the Councillor dealt with the real or perceived conflict of interest;*
- (d) *if the Councillor voted on the matter—how the Councillor voted on the matter;*
- (e) *how the majority of persons who were entitled to vote at the meeting voted on the matter.*

A *conflict of interest* is a conflict between—

- (a) *a Councillor's personal interests (including personal interests arising from the Councillor's relationships, for example); and*
- (b) *the public interest;*

that might lead to a decision that is contrary to the public interest.

PURPOSE

The purpose of this report is to present the minutes of the Audit Committee meeting on 11 September 2014 to Council for adoption in accordance with Section 211 of the Local Government Regulation 2012.

BACKGROUND

The primary objective of the Audit Committee is to assist Council in fulfilling its corporate governance role and oversight of financial measurement and reporting responsibilities imposed under the *Local Government Act 2009*, the *Financial Accountability Act 2009* and other relevant legislation.

To fulfil this objective and in order to enhance the ability of Councillors to discharge their legal responsibility, it is necessary that a written report is presented to Council as soon as practicable after a meeting of the Audit Committee about the matters reviewed at the meeting and the committee's recommendations about these matters.

ISSUES

Please refer to the attached Minutes of the Audit Committee meeting held on 11 September 2014.

STRATEGIC IMPLICATIONS**Legislative Requirements**

Requirements from the *Local Government Act 2009*, the *Local Government Regulation 2012* and the *Financial Accountability Act 2009* have been taken into account during the preparation of this report.

Risk Management

There are no opportunities or risks for Council resulting from this report.

Financial

There are no financial implications impacting Council as a result of this report.

People

There are no implications on people as a result of this report.

Environmental

There are no environmental implications resulting from this report.

Social

There are no social implications as a result of this report.

Alignment with Council's Policy and Plans

Relationship to Corporate Plan: 8. Inclusive and ethical governance

Deep engagement, quality leadership at all levels, transparent and accountable democratic processes and a spirit of partnership between the community and Council will enrich residents' participation in local decision making to achieve the community's Redlands 2030 vision and goals.

8.5 Be transparent and consistent in the way we manage the organisation, its risks and obligations and ensure we are delivering against our priorities.

CONSULTATION

The Audit Committee minutes are presented for confirmation as a true and accurate record of proceedings at its next meeting.

OPTIONS

1. That Council accepts this report, which summarises the issues discussed at the Audit Committee meeting of 11 September 2014; or
2. That Council accepts this report and requests additional information; or
3. That Council not accepts this report and requests an alternative method of reporting.

OFFICER'S RECOMMENDATION

That Council resolves to accept this report, which summarises the issues discussed at the Audit Committee meeting of 11 September 2014.

3 RECEIPT AND CONFIRMATION OF MINUTES

The minutes of the Audit Committee meeting of 5 June 2014 were confirmed as correct.

3.1 BUSINESS ARISING FROM PREVIOUS MINUTES

The Chair asked for any business arising from the Minutes of 5 June 2014 to be presented.

COMMITTEE DECISION

The Chair stated that item 3.1 would be listed for the full Audit Committee meeting scheduled for 23 October 2014.

4 COUNCIL FINANCIAL REPORTS

4.1 COUNCIL DRAFT ANNUAL FINANCIAL STATEMENTS

The Chief Financial Officer presented the draft annual financial statements of Council to the Audit Committee.

Comments:

1. Page 27 of the Financial Statements – Movements in the Asset Revaluation Surplus to include a note to tie the Asset Corrections back to Note 25.
2. Page 28 of the Financial Statements – Note 26 Constrained Cash Reserves. Movement in Utilities Reserve of about \$10M as a result of the establishment of the Water business reserves. The reserves will capture any over and under recovery of maximum allowable revenue due to the price smoothing associated with the large increase in purchase price of bulk water expected in 2017/18.
3. Page 38 of the Financial Statements – Relationship to Fair Value in Note 34(a). Clarification of the value per square meter was taken on notice.
4. Page 25 of the Financial Statements – A breakdown was provided of the Additions to Intangible Assets in Note 19.
5. Mr Peter Dowling indicated via email his preference for Note 32 Correction of Errors to be softened to Prior Year Adjustments.

COMMITTEE DECISION

That the Audit Committee notes the draft annual financial statements as presented.

5 OTHER BUSINESS

The Group Manager Internal Audit updated the Committee with progress on the Annual Internal Audit Plan 2014-2015.

Mr Denis Byram advised the meeting that the Auditor-General will be distributing a survey to all Councils around mid-September for the upcoming performance audit on Fraud Management in Local Government.

COMMITTEE DECISION

That the Audit Committee notes the updates as presented.

6 MEETING CLOSURE

The chair declared the meeting closed at 3.24pm.

PURPOSE

The purpose of this report is for Council to provide updated delegations to the Chief Executive Officer (CEO) in accordance with the annual review of delegations.

BACKGROUND

Councils are required to make thousands of operational decisions each year under both State legislation and Council's own local laws. These include for example, the issuing of permits, licences and approvals, etc. It would be extremely ineffective, inefficient and inconvenient for all of these decisions to have to be made via reports to Council meetings and Council resolutions.

Section 257 of the *Local Government Act 2009* (the Act) allows a local government to delegate a power under the Act or another Act, other than where an Act specifically states that the power must be exercised by Council resolution. Section 257 (1)(b) of the Act specifically provides for a power to be delegated to the CEO. Section 259 of the Act allows a CEO to on-delegate their powers to appropriately qualified officers, other than where the local government specifically directs that the power not be further delegated or it is a power to keep a register of interests.

In late 2012 the *Local Government Act 2009* was amended to require Councils to review delegations to the CEO annually. Through King and Company Solicitors, the Local Government Association of Queensland (LGAQ) developed a complete list of all delegations under State laws which can be delegated to local government CEOs. This list is updated regularly.

ISSUES

In late 2013, Council conducted a full review of delegations to the CEO. The CEO was given all delegations as listed at that time by the LGAQ (Item 5.1.6 Coordination Committee Meeting 6 November 2013). This provided a new delegations framework which ensured that the CEO's delegations were completely up to date in accordance with all legislation. The framework also provided a base for all subsequent reviews and facilitates the process for each annual review. Each review then only needs to be made from the LGAQ's updated listings for that year.

This report is for Council to provide updated delegations to the CEO in accordance with the annual review of delegations (as per the LGAQ updated delegations list for 2014).

STRATEGIC IMPLICATIONS

Legislative Requirements

This review and the recommendations of this report are in accordance with the legislative requirements relating to delegation of powers to the CEO and to review these delegations annually.

Risk Management

The top down approach of Council making all delegations as listed by the LGAQ to the CEO in November 2013 ensured that Council's delegations were completely up to date in accordance with all legislation from that time. This then provided the base for all future annual reviews.

Financial

There are no specific financial implications associated with this report.

People

This review and report ensures that delegations to the CEO are up to date and allows the on-delegation of powers to appropriate officers to provide for the day to day operations of Council.

Environmental

There are no specific environmental implications associated with this report.

Social

There are no specific social implications associated with this report.

Alignment with Council's Policy and Plans

The annual review and delegation process provides an important role in the operation of Council in accordance with Council's policies and plans.

CONSULTATION

In conducting this review and preparing this report, consultation has occurred with the Local Government Association of Queensland and all relevant areas of Council impacted by the updated listings.

OPTIONS

- 1 That Council resolves to delegate under section 257 (1)(b) of the *Local Government Act 2009*, all functions and powers as listed in the attachments to this report to the Chief Executive Officer.
- 2 That Council resolves not to delegate functions and powers as listed in the attachments to this report to the Chief Executive Officer.

OFFICER'S RECOMMENDATION

That Council resolves to delegate under section 257 (1)(b) of the *Local Government Act 2009*, all functions and powers as listed in the attachments to this report, to the Chief Executive Officer.

11.2.2 APPOINTMENTS OF COUNCILLORS TO TASK FORCES/EXTERNAL ORGANISATIONS**Datworks Filename:** GOV Council Meeting Dates & Information**Authorising/Responsible Officer:****Luke Wallace
Acting General Manager Organisational
Services****Author:****Trevor Green
Principal Advisor Corporate and Democratic
Governance**

PURPOSE

To appoint Councillors to task forces/external organisations, so as to better align with Council's new portfolio structure and portfolio spokespersons' responsibilities.

BACKGROUND

In addition to the statutory duties associated with Council's ordinary meetings and standing committees, there are also a number of regional forums, taskforces, boards and committees, where Council is required to be represented, or where it is in Council's best interest to be represented by elected representatives.

A Councillor's role as the representative of Redland City Council includes promoting Redland's policies, strategies and objectives and ensuring that Council's interests are represented in regional policy development.

To assist Councillors and ensure effective capture and communication of information, these positions are often supported by nominated officers.

ISSUES

At the Post-Election Meeting of 17 May 2012 (Item 8), Council appointed Councillors to a number of external organisations and task forces. A major factor in the determination of roles related to an alignment of appointments to the then Committee structure and appointments of Committee Chairpersons.

Since the Post-Election Meeting Council has undertaken three meeting reviews:

- 1 In December 2012, Council moved from having a General Meeting and a number of separate Committees, to a General Meeting which incorporated the one Coordination Committee, made up of 10 portfolios; (plus the Cleveland CBD Revitalisation Committee). Councillors were subsequently appointed as portfolio spokespersons.
 - 2 In November 2013, the Coordination and Cleveland CBD Revitalisation Committees were removed, with all matters taken directly to the General Meeting, under the 10 portfolios structure.
-

- 3 In August 2014, the portfolio structure was restructured from 10 to 6 portfolios, to better align with the 2013 organisational restructure.

As such, the current appointments of Councillors to task forces/external organisations do not align with portfolio responsibilities. It is therefore considered appropriate at this time that the appointment of Councillors to task forces/external organisations be reviewed to better align with the current appointments of portfolio spokespersons.

STRATEGIC IMPLICATIONS

Legislative Requirements

The recommendations of this report are in accordance with the legislative requirements relating to the conduct of Council's meetings and the appointment of Councillors to task forces/external organisations.

Risk Management

The report recommendation reduces risks associated with the current situation where Councillor appointments to task forces/external organisations do not align with Councillors' responsibilities via their appointments as portfolio spokespersons.

Financial

There are no specific financial implications associated with this report.

People

Councillors will be in a better position to represent Council and the Redlands' community on task forces/external organisations, if these appointments align with their portfolio responsibilities.

Environmental

There are no specific environmental implications associated with this report.

Social

Councillors will be in a better position to represent Council and the Redlands' community on task forces/external organisations, if these appointments align with their portfolio responsibilities.

Alignment with Council's Policy and Plans

This report aligns with Council's policies and plans and further reduces red tape associated with Councillors carrying out their responsibilities.

CONSULTATION

Councillors have conducted their own consultation to determine how best to make appointments on task forces/external organisations.

OPTIONS

- 1 That Council appoint Councillors to task forces/external organisations, so as to better align with the new portfolio structure and portfolio spokespersons' responsibilities.

- 2 That Council maintain the current Councillor appointments to task forces/external organisations.

OFFICER'S RECOMMENDATION

That Council resolves to appoint Councillors to task forces/external organisations, so as to better align with the new portfolio structure and portfolio spokespersons' responsibilities.

PURPOSE

The purpose of this report is for Council to note that the decisions listed below were made under delegated authority for Category 1, 2 and 3 development applications.

This information is provided for public interest.

BACKGROUND

At the General Meeting of 27 July, 2011, Council resolved that development assessments be classified into the following four Categories:

Category 1 – Minor Complying Code Assessments and Compliance Assessments and associated administrative matters, including correspondence associated with the routine management of all development applications;

Category 2 – Complying Code Assessments and Compliance Assessments and Minor Impact Assessments;

Category 3 – Moderately Complex Code & Impact Assessments; and

Category 4 – Major and Significant Assessments.

The applications detailed in this report have been assessed under:-

- Category 1 criteria - defined as complying code and compliance assessable applications, including building works assessable against the planning scheme, and other applications of a minor nature, including all accelerated applications.
- Category 2 criteria - defined as complying code assessable and compliance assessable applications, including operational works, and Impact Assessable applications without submissions of objection. Also includes a number of process related delegations, including issuing planning certificates, approval of

works on and off maintenance and the release of bonds, and all other delegations not otherwise listed.

- Category 3 criteria that are defined as applications of a moderately complex nature, generally mainstream impact assessable applications and code assessable applications of a higher level of complexity. Impact applications may involve submissions objecting to the proposal readily addressable by reasonable and relevant conditions. Both may have minor level aspects outside a stated policy position that are subject to discretionary provisions of the Planning Scheme. Applications seeking approval of a plan of survey are included in this category. Applications can be referred to General Meeting for a decision.

OFFICER'S RECOMMENDATION

That Council resolves to note this report.

Service Manager Planning Assessment

PURPOSE

The purpose of this report is for Council to note the current appeals.

BACKGROUND

Information on appeals may be found as follows:

1. Planning and Environment Court

- a) Information on current appeals and declarations with the Planning and Environment Court involving Redland City Council can be found at the District Court web site using the "Search civil files (eCourts) Party Search" service: <http://www.courts.qld.gov.au/esearching/party.asp>
- b) Judgements of the Planning and Environment Court can be viewed via the Supreme Court of Queensland Library web site under the Planning and Environment Court link: <http://www.sclqld.org.au/qjudgment/>

2. Department of State Development, Infrastructure and Planning (SDIP)

The DSDIP provides a Database of Appeals (<http://services.dip.qld.gov.au/appeals/>) that may be searched for past appeals and declarations heard by the Planning and Environment Court.

The database contains:

- A consolidated list of all appeals and declarations lodged in the Planning and Environment Courts across Queensland of which the Chief Executive has been notified.
 - Information about the appeal or declaration, including the appeal number, name and year, the site address and local government.

PURPOSE

To seek Council approval to dedicate approximately 56m² from Council owned Lot 12 on S31826 to road as shown on Acquisition Drawing AM35-1-1 Rev.A, pursuant to Section 51 of the *Land Title Act 1994* and Section 94 of the *Land Act 1994*.

BACKGROUND

Council has been progressively upgrading roads on the Southern Moreton Bay Islands (SMBI) to enhance the quality and use of island roads.

The acquisition for road is required to facilitate the road improvements at the intersection of Minjerriba Road at Centre Road, Russell Island as part of the SMBI Road Upgrade Program.

ISSUES

Council proposes to make safety improvements to the intersection of Minjerriba Road at Centre Road, Russell Island. These works include road widening, installation of painted medians, advanced warning signage and pavement markings.

During the design phase it was identified that an area of approximately 56m² is required from Lot 12 on S31826 to facilitate turning movements through the intersection.

These improvements meet the requirements of the Redlands Planning Scheme and are in accordance Australian Standard AS1428.1, Redland City Council standard drawings, Austroads, Queensland Urban Drainage Manual and the Queensland Department of Main Roads Road Planning and Design Manual.

STRATEGIC IMPLICATIONS

Legislative Requirements

These works proceed under two pieces of legislation. The *Land Title Act 1994* deals with freehold land and the *Land Act 1994* works with State land. The tenure process requires the surrender of Council's freehold land to the State, dedication of the land as road and granting Council as Trustee.

Section 51(2) of the *Land Title Act* notes: '*If the dedication is for road, the registration of the plan operates, without anything further, to open the road for the Land Act 1994.*'

Section 94(4) of the *Land Act* notes: '*Land may be dedicated as road for public use by the registration of a dedication notice or a plan of subdivision.*'

The process for dedication of the road will be triggered by the lodgement of an appropriate survey plan with the Department of Natural Resources & Mines who will register the plan, dedicate the road and assign Council as Trustee.

Risk Management

The dedication of the road will bring the area under Section 37 of the *Civil Liability Act 2003* mitigating some risk in respect to possible legal action.

In addition, risks to road users will be reduced due to clearer visibility and the improvements made to the intersection.

As Lot 12 is Council owned, it was chosen as being more cost effective than resuming part of the opposite lot which is privately owned. From a risk perspective, there are no major implications to Council.

Financial

The upgrading of the intersection of Minjerriba Road at Centre Road, Russell Island was adopted within the 10-year capital program, approved under the Road Upgrade Program – SMBI for the 2014/2015 financial year.

People

There are no implications to staff identified.

Environmental

There are no environmental implications identified.

Social

There are no social implications identified.

Alignment with Council's Policy and Plans

This report meets the objectives of The Corporate Plan Outcome 5: Wise Planning and Design.

CONSULTATION

- Service Manager Risk and Liability;
- Management Accountant Commercial Business (confirmation of Financials);
- Design Services Manager;
- Principal Engineer City Infrastructure;
- Service Manager Property Services;
- Construction Projects Service Manager;
- Project Delivery Group Manager;
- Redwaste Services Manager;
- Group Manager Environment and Regulation;
- Group Manager City Spaces;
- Parks and Conservation Service Manager;
- Adviser Environment – City Spaces Group;
- Group Manager City Planning and Assessment;
- Principal Engineer – Water; and
- Principal Engineer – Wastewater Reticulation

OPTIONS

- 1 To dedicate part of Lot 12 on S31826 as road pursuant to Section 51 of the *Land Title Act 1994* and that the Chief Executive Officer be authorised to sign any documentation in relation thereto.
- 2 Council resolves not to acquire the land at the intersection of Minjerriba Road at Centre Road, Russell Island. If the road opening does not proceed then the intersection upgrade will not accommodate the safe manoeuvring of commercial vehicles and road users will have to drive over the grass verge or cross the centre of the road to negotiate the bend.

OFFICER'S RECOMMENDATION

That Council resolves as follows:

1. To dedicate part of Lot 12 on S31826 as road pursuant to Section 51 of the *Land Title Act 1994*; and
2. That the Chief Executive Officer be delegated authority (under s.257(1)(b) of the *Local Government Act 2009*) to negotiate, make, vary, discharge and sign all necessary documentation.

11.4.2 BYPASS ENTRY LANE AT BIRKDALE WASTE TRANSFER STATION**Dataworks Filename:** WM Waste Transfer Station - Birkdale**Attachment:** [Linemarking Layout](#)**Authorising/Responsible Officer:****Lex Smith
Acting General Manager Infrastructure and
Operations****Author:****Peter Heffernan
Contract Superintendent**

PURPOSE

The purpose of this report is for Council to resolve to construct a bypass entry lane at the Birkdale waste transfer station to improve the operations of traffic movements, particularly at peak times.

BACKGROUND

Since Birkdale ceased to receive waste to landfill in 2011, the site has continued to operate as a waste transfer station that mainly services the northern part of the Redland City Council (RCC) area. Queuing is reported to occur at the entrance to the weighbridge at peak times which can extend out and onto Old Cleveland Road East. These peak times include weekends and the Christmas / New Year holiday period. The issue will continue to worsen as population growth within the catchment for the site is forecast to increase by 25% in the next 20 years.

ISSUES

Delays are also compounded by the presence of the following:

- **Estimated 60% contribution:** Especially on weekends, green waste can account for a large proportion of the number of transactions at the transfer station. This rate fluctuates depending on conditions such as time of year, weather, one-off events, etc. As disposal of green waste material takes place at the top of the plateau, residential vehicles that don't have to be weighed are unnecessarily held in the queue to register their transaction at the gate house.
 - **Estimated 20% contribution:** Not enough residual waste disposal bins during the peak periods that are in close proximity to the gatehouse. This causes vehicles to queue back onto the weighbridge to wait for a stall to become available for use. This then prevents other vehicles, including those with green waste, from accessing the site in a timely manner.
 - **Estimated 20% contribution:** A single weighbridge which must cater for commercial loads both entering and exiting the site. As a vehicle carrying a commercial load needs to be weighed again upon exit in order for the appropriate disposal charge to be imposed, it is required to travel along the weighbridge in the opposite direction. It is then weighed, the charge is imposed and paid for and then it exits.

OPTIONS TO MITIGATE THE IDENTIFIED PROBLEM**1. Do nothing**

Whilst this option would save Council from having to do any work or spend money, there is a problem to be solved and an expectation that Council is doing work to improve the efficiency of operations and customer experience at the transfer station.

2. Fully upgrade the entrance and road network

This option is completely out of scope in that it does not align with the objectives set out in the brief. This would involve a \$1-\$2 million capital works project which could potentially involve the installation of a second weighbridge as well as road widening/upgrades out to and including the intersection with Old Cleveland Road. This would set up the site for future growth and may be considered more relevant to any future upgrade of the transfer station.

3. Undertake minor site improvements to incorporate a bypass lane for peak periods

The idea is to allow normal residential vehicles with green waste or recycling to bypass the weighbridge at peak times when there is a queue waiting to use the residual waste disposal stalls and/or when commercial vehicles are waiting to exit via the weighbridge. This bypass lane will only be in operation during peak times and will require an attendant to be on duty to manage the operation and direct vehicles to use the lane. Road widening to allow for the bypass lane will be sufficient to allow an exit weighbridge to be installed in the future. The estimated project cost is \$228,187 however an additional \$50,000 of contingency should be considered for mitigation against any unforeseen circumstances encountered during the design and construction process.

4. Construct a bypass road behind the residual waste disposal area

This option is a variation on option 3 which is to construct a new one-way road, entering the transfer station before the main entrance, joining on to the alignment of the fire track and then intersecting onto the primary haul road. There will be a small gatehouse and boom gate to control traffic into the bypass lane and also an escape lane for those vehicles not eligible to use it. This option does not make use of existing infrastructure and will also be very difficult to manage its operations in terms of directing the correct traffic in the lane. The estimated cost is \$370,269.

5. Construct a new weighbridge and entry/exit bypass lanes

This option considers a weighbridge and bypass lanes on both the entry and exit points. In this option, a weighbridge would be installed adjacent to the gatehouse on the exit lane, the existing exit lane would be widened to accommodate the exit bypass lane and a new lane would be constructed adjacent to the existing weighbridge to create an entrance bypass lane. The estimated cost of this option is \$752,914. The significantly higher cost is due to the need to install a new weighbridge, construct an all-new road to act as the bypass entry lane as well as widening the existing exit lane, technology upgrades and installation of license plate cameras.

PREFERRED OPTION

The aim of this project is to reduce the likelihood of excessive queuing, particularly back to and on Old Cleveland Road East as well as to improve the customer experience. However, it is to be undertaken in the most cost-effective manner whilst optimising traffic flow on site. Therefore Option 3 is the preferred option. Traffic modelling indicates that there will be a significant improvement in average vehicle delay and queue lengths at the site. A concept layout is attached to this document.

SWOT ANALYSIS

SWOT analysis has been undertaken on the preferred option and is summarised below:

Strengths

- Reduces the likelihood of queuing back and onto Old Cleveland Road East by allowing vehicles with green waste and/or hardfill to bypass the gatehouse during peak times.
- Improved customer service.

Weaknesses

- Does not address the queuing caused by the lack of stalls available for residual waste disposal.
- Could still cause vehicles with green waste or hardfill to wait because of the length of the queue for the residual waste disposal stalls.

Opportunities

- Some cost savings may exist through alternative construction methods and/or materials.
- Use existing survey data at the site to save on design costs.

Threats

- The option is unfunded and a budget needs to be approved.
- It is difficult to quantify the expected benefit.

STRATEGIC IMPLICATIONS

This work is an interim solution until the general direction of Council to retain the Birkdale waste transfer station as an operational site is known. Funding is commensurate with the immediate problem to be solved and still allows Council to finalise its future waste strategy pending the outcome of the regional collaboration initiatives that are currently underway.

Legislative Requirements

Nil

Risk Management

A safety issue has been identified in that vehicles are queuing out and onto Old Cleveland Road East as a result of a lack of capacity at the gatehouse. There is the

potential for collisions to occur due to this queuing as well as the efficiency of operations on Old Cleveland Road East being affected. This project improves the capacity at the gatehouse.

Financial

The estimated project cost is \$228,187 however an additional \$50,000 of contingency should be considered for mitigation against any unforeseen circumstances encountered during the design and construction process. Therefore an allocation of \$278,187 (excluding GST) should be provided. An additional \$7,000 per year would also be added to the operational budget of the waste transfer station because an extra attendant will be required when the bypass lane is in use. Depreciation of the bypass lane will be approximately \$15,000 per year which will need to be funded from future waste utility charges.

People

An additional attendant would be required when the bypass lane is in use. The project will be designed and constructed by the Project Delivery Group under the direction of the Closed Landfill Management Unit using existing Council resources.

Environmental

All works will be undertaken with strict environmental controls in place. A beneficial outcome will also be fewer emissions from vehicles waiting to access the site hence cleaner air for users and workers.

Social

These works will have a positive social impact through the improved customer experience at the site.

Alignment with Council's Policy and Plans

This proposal for works at the Birkdale waste transfer station results from a Councillor workshop in which the issue of excessive vehicle queuing was discussed.

Furthermore, these works align with the following strategies of RCC's Corporate Plan 2010-2015:

- 2.1 Achieve sustainability through strong leadership and innovation, and by effective planning and managing our services, assets and resources
- 2.2 Implement Council's waste management strategy by applying best practice principles in pricing, public awareness, resource management, recycling and recovery

CONSULTATION

Consultation has been undertaken with Council's Waste Operations unit, Workplace Health & Safety Unit as well as contractors who operate or use the waste transfer facility. They have been generally supportive of the concept layout and comments and suggestions have been incorporated where appropriate.

OPTIONS**Option 1**

- 1 To note the report and approve amendments to the 2014/15 RedWaste Annual Budget (both operational and capital) as a result of this report; and
- 2 To adopt proposed option 3.

Option 2

That Council resolves not to adopt the proposal.

OFFICER'S RECOMMENDATION

That Council resolves to:

1. **Note the report and approve amendments to the 2014/15 RedWaste Annual Budget (both operational and capital) as a result of this report; and**
2. **Adopt the proposed Option 3 to undertake minor site improvements to incorporate a bypass entry lane at Birkdale waste transfer station and to allocate \$278.187 (excluding GST) to the project.**

**11.4.3 COUNCIL APPROVAL TO EXPEND FUNDS TO REDUCE FIRE RISK
RUSSELL ISLAND**

PURPOSE

The purpose of this report is to seek approval to expend funds from the Environment Charge Maintenance Reserve to undertake construction of new fire breaks and widening of existing breaks to reduce fire risks on Russell Island.

BACKGROUND

Council's Fire Management Officer raised concerns about the volatility of fire should it occur on Russell Island and the danger this could potentially have for the residents of this island. As a result of this, a representative from Queensland Fire & Emergency Services (QFES) and Council's Fire Management Officer presented options to the Mayor, Deputy Mayor, Council's Local Disaster Coordinator and Council officers on 18 August 2014. All parties agreed that this situation needed to be addressed and the Mayor asked officers to provide advice on strategies to make this dangerous situation more manageable.

The proposal is to create a number of new fire breaks and upgrade existing fire breaks so in the event of a wild fire, these areas can be accessed more readily along with creating a physical barrier to reduce the threat of fire damaging properties.

Firebreak sites:

- Turtle Swamp Wetlands;
- Water Mouse Wetlands;
- Melomys Wetlands;
- Whistling Kite Conservation Area.

ISSUES

This project requires endorsement by Council in order to create a job number and account for expenditure of \$77,965 out of the Environment Charge Maintenance Reserve.

Prior to commencement of tree clearing, Council will undertake regional ecosystem and cultural heritage assessments.

STRATEGIC IMPLICATIONS

Legislative Requirements

The project will be required to meet all obligations related to the *Cultural Heritage Act* and state and federal legislation in relation to tree clearing and land tenure.

Risk Management

A steering group has been formed with representatives from City Spaces and will seek to identify and manage risks.

Financial

A budget of \$77,965 will be required to undertake the proposed works from the Environment Charge Maintenance Reserve. Currently the anticipated closing balance of this reserve is \$1,504,851.85 as provided by Financial Services.

People

The project will improve existing fire breaks along with creating new ones which will increase the safety to the residents and visitors of Russell Island as well as the safety of fire fighting officers.

Environmental

The project will enhance the natural environment allowing more controlled burns in the future and reducing the potential of wild fires.

Alignment with Council's Policy and Plans

Expenditure under the Environment Charge Acquisition and Management Policy POL-3077.

Wise Planning and design

5.10 Maintain the quality and liveability of residential areas and protect natural Resources.

5.13 Enhance the city's liveability and enable people to enjoy outdoor activities, social gatherings and community events through planning, providing and managing high quality parks and open spaces.

CONSULTATION

Consultation has been undertaken between QFES and Council, Mayor and Deputy Mayor, Manager Disaster Planning & Operations and other officers within City Spaces. There is agreement that the project should be undertaken by the Executive Leadership Team (ELT) as a result of formal ELT action number 20140915 asking for a report to Council.

OPTIONS

1. That Council resolves to endorse the expenditure of funds from the Environment Charge Maintenance Reserve to undertake works to reduce fire risks on Russell Island.

2. That Council rejects endorsing the expenditure of funds from the Environment Charge Maintenance Reserve to undertake works to reduce fire risks on Russell Island.

OFFICER'S RECOMMENDATION

That Council resolves to endorse the expenditure of \$77,965 from the Environment Charge Maintenance Reserve to undertake works to reduce fire risks on Russell Island.

12 MAYORAL MINUTES

12.1.1 EXTEND COMMUNITY CONSULTATION PERIOD FOR PROPOSED LOCAL LAWS

The Mayor has given notice that at the General Meeting scheduled for Wednesday 8 October 2014, she intends to move as follows:

That Council resolves to extend the current community consultation period for the proposed local laws for a further four weeks (28 days) to 5th November 2014.

Background

Council is proposing to make a full set of local laws (other than vegetation management) under the State Model Local Law framework. While the consultation period has already been extended from the minimum requirement of three weeks to eight weeks, the level of community interest in this project indicates that it would be appropriate to further extend the engagement period.

12.1.2 SURRENDER OF TRUSTEESHIP OF LAND LOCATED AT 32A TEAK LANE, VICTORIA POINT

The Mayor has given notice that at the General Meeting scheduled for Wednesday 8 October 2014, she intends to move as follows:

That Council resolves as follows:

- 1. To surrender its trusteeship under the *Land Act 1994* to the Queensland State Government for land located at 32A Teak Lane, Victoria Point (Lot 12 on SP147233), subject to ensuing suitable public access between Sycamore Parade, Victoria Point and the adjoining Victoria Point Town Centre Shopping Centre; and**
- 2. That the Chief Executive Officer be authorised (under s.257(1)(b) of the *Local Government Act 2009*) to negotiate, make or vary the relinquishment of the land and to sign all relevant documents.**

Background

Sycamore Nature Belt, situated at 32A Teak Lane, Victoria Point, is directly behind the Victoria Point TownCentre Shopping Centre. The land was dedicated to Council on 24 July 2006 through the development process that approved construction of the shopping centre. The reserve was created for environmental and community recreation purposes and to provide a buffer zone to the shopping centre's activities.

Public safety and anti-social issues in the nature belt have been of concern since 2004, when the shopping centre construction was completed. The issues have been ongoing and are well documented. The nature belt is concealed from public gaze and as such is subject to vandalism, graffiti, loitering, drunken behaviour, noise, arson and has become a refuge for truants. Recently, a person was seriously assaulted there. Multiple actions have been implemented over the past 10 years to address local issues, with limited success. Residents living adjacent to the nature strip are most affected, and continue to be exposed to anti-social behaviour.

The reserve is no longer effective from a community or environmental perspective. It is proving difficult to manage and maintain in its current layout. A long-term solution needs to be found so that nearby residents can have peace of mind again. Handing the area back to the State will enable other solutions to be explored.

EXECUTIVE SUMMARY

Council or Committee has a broad power under section 275(1) of the *Local Government Regulation 2012* to close a meeting to the public where there are genuine reasons why the discussion on a matter should be kept confidential.

OFFICER'S RECOMMENDATION

That the meeting be closed to the public to discuss this matter pursuant to 275(1) of the *Local Government Regulation 2012*.

The reason that is applicable in this instance is as follows:
