4 RECOGNITION OF ACHIEVEMENT

4.1 REDLANDS RUGBY UNION PLAYERS

The Mayor gave recognition to three Redlands Rugby Union Players:

This morning I have the pleasure of introducing three outstanding Redlanders (one of them could not be present today).

It is an honour to be able to acknowledge such inspiring members of our community today.

To have three Redlands Rugby Union players be selected to compete overseas for the Wallaroos in Ireland in August is a remarkable testament to the sporting spirit in our City and to have one of our players also named captain for the Australian team competing for the world cup is outstanding and an attribute to the hard work of Shannon and the club.

Shannon Parry

Shannon Parry has not only been selected to represent the Wallaroos competing overseas but also the Captain of the Australian team competing for the world cup

While Shannon travels the globe representing her country in both formats of the game - 7s and 15s her true home sports ground is at the Muddies - Redlands Rugby Union Club.

Shannon co-captained the Australian Womens' Sevens' team alongside a previous muddies player Sharni Williams, leading the team to Gold in Rio in 2016.

Shannon has represented Australia in the 7s and 15s version of the game but for her it is not about what form of the game she is playing but how many are on the park.

In Shannon's words: "It doesn't matter if you are a woman or man taking the field. It is about being out there on the field and having a go." "When it comes to women's rugby - the more we can encourage women to play at a grassroots level the better women's rugby will be."

Fenella Hake

Fenella got into Rugby when she was only six years old with her twin brother and has been playing ever since.

Fenella joined the club when Cheyenne approached her about starting up a Women's team at Redlands. Since then she says it has been the best experience playing for this club not only for the sport but the family environment, the connection with everyone at the club and the support they receive both on and off the field. It is also a great social gathering at the club most weekends.

One of Fenella's greatest achievements has been her recent selection in the World Cup squad but also debuting in New Zealand four weeks ago. As a born New Zealander she says it was an honour to get to play her first international game for Australia in her home city in front of family and friends.

Cheyenne Campbell

Cheyenne Campbell is another core leader of the Wallaroos and was one of the standout players for Australia throughout the 2014 World Cup.

Cheyenne was also selected to represent Australia at the international Women's Rugby Series in New Zealand recently.

Cheyenne grew up playing alongside her cousin Quade Cooper in backyard games in New Zealand in her younger years. Cooper is not the only world cup performer in the family as Cheyenne will be competing for Australian women's Rugby for a second time in Ireland in August

The Wallaroos currently placed sixth will head to the Rugby World Cup in August to compete against Ireland. Despite being beaten by New Zealand in the international women's series they have learnt some valuable lessons and are confident for the cup.

I am sure I speak for my fellow councillors and the community when I say we are so proud to have you not only representing Australia but also our community of Redlands in Ireland and we wish you all the best for the Cup.

8 PETITIONS AND PRESENTATIONS

8.1 CR HUGES – ALGA NATIONAL CONFERENCE – BUILDING TOMORROW'S COMMUNITIES – CANBERRA 18-21 JUNE 2017

The three day National General Assembly of Local Government was held at the Canberra Convention Centre, with Redland City Council being represented by our **Mayor Karen Williams** and **Councillors Paul Gollè** and **Tracey Huges**.

The Conference had a full agenda over all three days with major key note speakers and discussion forums all very well attended and supported by 800+ delegates from across Australia.

I would like to acknowledge and commend the leadership from ALGA President, **Mayor David O'Loughlin** who presided over the three day conference with grace, humour and a firm hand when required, with breakfast meetings starting at 6:30am and Dinner meetings concluding from 10:30pm that equates to many hours of discussions and negotiations.

The topics and speakers over the three days are too numerous to list however key speakers and panel sessions included:

Opening the Assembly Senator the **Hon. Fiona Nash**, Minister for Regional Development, Minister for Regional Communications and Minister for Local Government and Territories.

Laura Tingle, a leading Journalist and renowned Author kept the room silent, enthralled and nodding as she shared her knowledge of the political landscape, past, present and a glimpse into the future.

Mayor Mark Jamieson from the Sunshine Coast Council Queensland, showed an amazing vision for his city as he shared the story of *Developing Smart Cities – A Greenfield Example* showing the infrastructure modelling, for building a smart city in Maroochydore.

Panel Sessions included – **Governing into the Future & Governance in a Digital Age** – topics of national significance and relevant to every council, from the very large cities to small rural communities with invited speakers all leaders in their specific fields from across the globe, inspiring and thought provoking.

This year the **Debate of Motions** – with over 100 motions tabled saw the format changed and broken down into several smaller blocks of 1 hour sessions, ensuring that the process was fast flowing with timelines and debate tightly managed with a rigorous flow of motions and voting cards working overtime.

The **Hon. Bill Shorten**, Leader of the Opposition opened the second day of the Assembly and set a challenge for each Council to list their top 3 priorities for their regions – Redlands will indeed be sharing our vision and following up to drive as much bi-partisan Federal Government support as we can.

The **Hon. Michael Keenan MP**, Minister for Justice, Minister Assisting the Prime Minister for Counter-Terrorism, spoke on Cyber Crime. He contributed a strong message on a theme that stood out as a major issue facing all levels of government at every entry point across every department and every employee.

Senator, The Hon. Nigel Scullion, Minister for Indigenous Affairs stirred up emotions and brought to life stories of Indigenous significance that lead to an emotional question time.

The Hon. Angus Taylor MP, Assistant Minister for Cities and Digital Transformation opened the Assembly on Wednesday morning with the day's agenda including National Updates, with **Senator Dr Richard De Natale**, Leader of the Australian Greens, **Stephen Jones**, Shadow Minister for Regional Services, Territories and Local Government, ALGA's National Strategy and Priorities facilitated by **Leigh Sales** ABC's 7:30 Presenter who then addressed the Assembly as Key Note Speaker on the topic of **Disruption in Media and Politics and What that Means for Communities**.

My key message is of the importance of inclusion with neighbouring Council's, the future value to cities as we transition to all that technology can offer and become 'Smart Cities' and the danger of Cyber Crime a recurrent theme from the recent Women's Conference I attended.

I was disappointed to miss most of Wednesday's agenda with the clash of Redland Council's General Meeting phone in, however with the fast pace of the Assembly, the array of quality topics, presentations and side activities the experience was truly valuable and again I thank my Council colleagues for allowing me to attend my second ALGA National Conference.

11 REPORTS TO COUNCIL**11.1 COMMUNITY & CUSTOMER SERVICES****11.1.1 DECISIONS MADE UNDER DELEGATED AUTHORITY FOR CATEGORY 1, 2 & 3 DEVELOPMENT APPLICATIONS**

Objective Reference:	A2440008 Reports and Attachments (Archives)
Attachment:	<u>Decisions Made Under Delegated Authority for 04.06.2017 to 24.06.2017</u>
Authorising Officer:	Kim Kerwin Acting General Manager Community & Customer Services
Responsible Officer:	David Jeanes Acting Group Manager City Planning & Assessment
Report Author:	Debra Weeks Senior Business Support Officer

PURPOSE

The purpose of this report is for Council to note that the decisions listed below were made under delegated authority for Category 1, 2 and 3 development applications.

This information is provided for public interest.

BACKGROUND

At the General Meeting of 27 July, 2011, Council resolved that development assessments be classified into the following four Categories:

Category 1 – Minor Complying Code Assessments and Compliance Assessments and associated administrative matters, including correspondence associated with the routine management of all development applications;

Category 2 – Complying Code Assessments and Compliance Assessments and Minor Impact Assessments;

Category 3 – Moderately Complex Code & Impact Assessments; and

Category 4 – Major and Significant Assessments

The applications detailed in this report have been assessed under:-

- Category 1 criteria - defined as complying code and compliance assessable applications, including building works assessable against the planning scheme, and other applications of a minor nature, including all accelerated applications.

- Category 2 criteria - defined as complying code assessable and compliance assessable applications, including operational works, and Impact Assessable applications without submissions of objection. Also includes a number of process related delegations, including issuing planning certificates, approval of works on and off maintenance and the release of bonds, and all other delegations not otherwise listed.
- Category 3 criteria that are defined as applications of a moderately complex nature, generally mainstream impact assessable applications and code assessable applications of a higher level of complexity. Impact applications may involve submissions objecting to the proposal readily addressable by reasonable and relevant conditions. Both may have minor level aspects outside a stated policy position that are subject to discretionary provisions of the Planning Scheme. Applications seeking approval of a plan of survey are included in this category. Applications can be referred to General Meeting for a decision.

OFFICER'S RECOMMENDATION/ COUNCIL RESOLUTION

PURPOSE

The purpose of this report is for Council to note the current appeals and other matters/proceedings in the Planning and Environment Court.

BACKGROUND

Information on these matters may be found as follows:

1. Planning and Environment Court

- a) Information on current appeals and declarations with the Planning and Environment Court involving Redland City Council can be found at the District Court web site using the "Search civil files (eCourts) Party Search" service: <http://www.courts.qld.gov.au/esearching/party.asp>
- b) Judgements of the Planning and Environment Court can be viewed via the Supreme Court of Queensland Library web site under the Planning and Environment Court link: <http://www.sclqld.org.au/qjudgment/>

2. Department of Infrastructure, Local Government and Planning (DILGP)

The DILGP provides a Database of Appeals (<http://www.dlg.qld.gov.au/resources/tools/planning-and-environment-court-appeals-database.html>) that may be searched for past appeals and declarations heard by the Planning and Environment Court.

The database contains:

- A consolidated list of all appeals and declarations lodged in the Planning and Environment Courts across Queensland of which the Chief Executive has been notified.
- Information about the appeal or declaration, including the appeal number, name and year, the site address and local government.

PURPOSE

The purpose of this report is to:

1. amend the 2017-2018 Interim and Final Fees and Charges Schedule Supporting Information to reflect administrative updates and legislative changes; and
2. amend the 2017-2018 Interim and Final Fees and Charges Schedule which contains administrative errors; and
3. propose a new fee for a newly established Conditioned Works Assessment (CWA).

BACKGROUND

Fees and Charges Schedule Updates

The 2017-2018 Interim and Final Fees and Charges Schedule were adopted at a Special Budget Meeting on 26 June 2017. Following a review of the adopted Schedules, administrative amendments to both Supporting Information documents are required.

In addition, a small number of fee definitions within both Schedules have been identified as incorrect and must be amended to reflect current and future application processing.

Conditioned Works Assessment (CWA)

Under the *Planning Act 2016* (the Act), Compliance Assessment associated with a Material Change of Use (MCU) is no longer applicable for applications received after 3 July. To ensure the efficient operation of the new planning framework for Council, a Conditioned Works Assessment (CWA) will be introduced. The CWA would be conditioned on new MCU applications for inspection and sign off of documents or works. Due to the late nature of the planning reform finalisation and delay in the City Plan commencing, a new fee for CWA applications is now proposed.

ISSUES

Fees and Charges Schedule Updates

Both the Interim Fees and Charges Schedule Supporting Information and Final Fees and Charges Schedule Supporting Information reflect incorrect terminology with regards to the new *Planning Act 2016*. To ensure consistency with the new legislation and maintain customer expectations, it is a requirement that the correct terminology be reflected in the Schedules. Attachment 1 provides the updated Supporting Information.

Three fee descriptions have been incorrectly entered into the Interim Schedule. Attachment 3 outlines the errors and subsequent amendments required. These description changes are consistent with the new legislation.

Eight fee descriptions have been incorrectly entered into the Final Schedule. Attachment 4 outlines the errors and subsequent amendments required. These description changes are consistent with the new legislation.

It is important to note that these are not new fees and are consistent in alignment with the new *Planning Act 2016*.

Conditioned Works Assessment

As Conditioned Works Assessment (CWA) is a new process, an appropriate fee should be set for cost recovery purposes as provided for under section 97 of the *Local Government Act 2009*. CWA will replace Compliance Assessment for Material Change of Use applications received from 3 July.

The structure of the Compliance Assessment fee has been amended for CWA to simplify how it is calculated. The current fees and charges schedule calculates Compliance Assessment based on a GFA (Gross Floor Area) and Non-GFA (Non-Gross Floor Area). In lieu of using GFA and Non-GFA components, the fee will refer to the area of site works. Applicants will pay the base fee (as is currently the case) and a fee for every 1000m² of site area (rounded to the nearest 1000m²).

The base fee previously used for Engineering Compliance Assessment and Landscaping Compliance Assessment will be maintained for CWA. The removal of the GFA component will reduce the fee amount but more accurately reflect the extent of assessment being undertaken for a CWA.

The fees and charges for Operational Works assessment associated with a Material Change of Use will remain as per the 2017-2018 Interim and Final Fee Schedules. This fee will continue to be charged on any Compliance Assessment applications lodged as a result of conditions in the original development approval provided under the repealed *Sustainable Planning Act 2009*.

STRATEGIC IMPLICATIONS

Legislative Requirements

Commencement of the *Planning Act 2016* on 3 July 2017 requires Council's documents to reflect new terminology and requirements.

Risk Management

Updating the Fees and Charges Schedule accurately reflects Council's fee for service.

Financial

Due to the new planning framework and changes to assessment process there is potential for applicants to lodge material differently in the future. There is scope to revisit the City Planning and Assessment fees once the framework is better established in our processes to ensure fees reflect the services being provided by Council.

People

No impact identified.

Environmental

There is no known impact to the environment.

Social

No impact identified.

Alignment with Council's Policy and Plans

This report supports Councils Corporate Plan 2015-2020 outcome area of Wise Planning and Design in delivering an effective and efficient development assessment process that is consistent with legislation and community expectations.

CONSULTATION

The Group Manager City Planning and Assessment and the Finance Manager Business Partnering Group, have been consulted on this matter and support the recommendation of this report.

OPTIONS

1. That Council resolves to accept the officer's recommendations and attachments to this report.
2. That Council resolves to not accept the officer's recommendations and attachments to this report with amendments.

**OFFICER'S RECOMMENDATION/
COUNCIL RESOLUTION**

Moved by: Cr T Huges
Seconded by: Cr P Mitchell

That Council resolves to:

1. Replace the 2017-2018 Interim Fees and Charges Schedule Supporting Information and the 2017-2018 Final Fees and Charges Schedule Supporting Information with Attachment 1;
2. Amend the 2017-2018 Interim Fees and Charges Schedule as outlined in *Column 2 – Changes of Attachment 3* and the 2017-2018 Final Fees and Charges Schedule as outlined in *Column 2 – Changes of Attachment 4*; and

- 3. Adopt the new fees for Conditioned Works Assessment as outlined in the *Proposed Column - Attachment 2* and insert into the 2017-2018 Interim and Final Fee Schedule underneath Operational Works Assessment (associated with Material Change of Use) with the same fee descriptions.**

SCHEDULE SUPPORTING INFORMATION

1. REFUNDS

1.1 Refund Processing Fee

In those instances where Council is refunding part or all of a fee, a refund processing fee is payable as detailed in the table below (except in the case of Council error or for Dog or Cat Registration refunds as per item 1.3 below):

Refund Amount	Refund Processing Fee
\$0 - \$24.99	*Not applicable
\$25 - \$199.99	50% of refund amount
\$200 or greater	\$100

*Note: No refunds will be issued for amounts under \$25 except in the case of Council error.

1.2 Refund of Fees for Withdrawn Applications

If the application is withdrawn before it is decided by Council a percentage of the application fee will be refunded depending on the assessment stage reached at the time of the withdrawal:

Stage of Application	Refund Percentage
Application Part	80%
Information and Referral Part	50%
Notification Part	20%
Decision Part	Nil

Note: All requests to withdraw applications must be made in writing.

Prior to payment the total amount of the refund to be paid will be reduced by the amount of the refund processing fee as set in item 1.1 above.

1.3 Refund of Fees for Dog or Cat Registration

A pro rata refund is available for dog or cat registrations under the following circumstances:

- Death of an Animal
- Relocation from City Area
- Animal is given away

Documented evidence to support the refund request is required.

Note: Dog or Cat Registration refunds are exempt from the Refund Processing Fee.

2. PHOTOCOPY FEE (for Local Laws and Policy Documents only)

Photocopying fees are used consistently across Redland City Council and the cost per page is outlined on page 1, Redland City Council Fee Schedule Supporting Information.

Copies of a Local Law (including Certified) and Policy Documents	Cost
6 pages or less	Cost per page as per Redland City Council Fee Schedule Supporting information, page 1
7 pages or more	\$7.00

3. DISCRETIONARY FEE CALCULATIONS AND DISCOUNTS

3.1 Discretionary Fee Reduction

Requests to determine an appropriate fee or reduce the application fee when a strict application of the scheduled fee is considered unreasonable or inappropriate considering the work required to carry out the assessment of the application, or where an appropriate fee has not been set, may be approved upon application.

Requests are required to be made in writing and accompanied by relevant supporting documentation. Should the delegated officer be unable or unwilling to determine a reduced fee at the time of lodgement (for example, in the case of impact assessable applications where the potential for submissions is a factor in consideration of any discount), the applicant is to pay the scheduled fee and any discount will be determined when the application is decided, at which time any part-refund will be paid. In determining requests for fee discounts, the delegated officers are to consider and document the following factors:

1. Level of assessment – including applicable zones and overlays;
2. Likelihood of submissions objecting to the proposal;
3. Intensity, scope and scale of proposed development;
4. Number of referral agencies and complexity of referral triggers;
5. Complexity of the technical requirements in support of the applications;
6. Anticipated workload;
7. Political and community interest and sensitivity; and
8. Total calculated fee according to schedule and compared with fees for similar applications in Redland City Council's supporting schedule as well as other Councils.

A required fee may be refunded or waived under Council's POL-3120 Discounts and Waivers of Fees, Charges and Infringements Policy or the *Planning Act 2016*, section 109.

1. Circumstances for waiving all or part of a required fee apply to –
 - a) A development application; or
 - b) A change application; or
 - c) An extension application; or
 - d) The referral, under section 54 of the *Planning Act 2016*, of a development application or change application to a referral agency.
2. For section 109(b) of the *Planning Act 2016*, all or part of the required fee for the application or referral may be waived if the application or referral is made by a registered non-profit organisation.

Note that all discounts and fee waivers and discounts are to be recorded in the Fee Discount Register maintained by the administering group.

3.2 Missing Fee Calculation

The General Manager Community and Customer Services or the Group Manager City Planning & Assessment may determine an appropriate fee for a use or service not specified in the fee schedule.

3.3 Bona-fide Charities and Not for Profit Organisations

A discount/rebate of 25% will be applied for bona-fide charities and not for profit organisations which meet the following criteria:

1. Endorsed as a charity by the Australian Taxation Office; or
2. An incorporated association under the *Associations Incorporation Act 1981* which is not a club licensed under the *Liquor Act 1992*; or
3. An incorporated association under the *Associations Incorporation Act 1981* which is a club licensed under the *Liquor Act 1992*, if the applicant:
 - 3.1 Does not have an existing management agreement with another licensed club; and
 - 3.2 Has no more than 20 gaming machines licensed in accordance with the *Gaming Machine Act 1991*; and
 - 3.3 The applicant is the owner of the premises the subject of the development application.

Supporting documentation confirming the status as an eligible charity or not for profit organisation must be supplied with the application to receive the discount at lodgement.

Note: This discount does not apply to infrastructure charges.

3.4 Multiple Discounts

Where applicants meet the criteria for multiple discounts/rebates, discounts will be applied in the following order:

- Charity/not for profit organization; then
- Other discounts.

Discounts will be applied to the balance of the fee following the application of the previous discount.

4. RESUBMISSION OF A LAPSED APPLICATION

City Planning & Assessment Group

Where a development application for building work, operational work, reconfiguring a lot, or material change of use has lapsed and a new development application is submitted, a 25% discount of the current scheduled application fee will apply. This is subject to the following requirements being satisfied:

1. A new application is resubmitted within 6 months of a previous application lapsing; and
2. The new application is generally consistent with the lapsed application; and
3. There have been no changes to the following:
 - a. Planning Scheme provisions applicable to the proposal;
 - b. Building Act provisions applicable to the proposal; and
4. The reduced fee is only applicable on first resubmission of a lapsed application.

Note – This discount does not apply to building document lodgement and inspection fees.

5. CONTRIBUTIONS AND SECURITY BONDS

5.1 Security Bonds

These bonds will be determined as per the Redland City Council policy. The security bonds that can be included are:

Uncompleted Works Bond: based on 120% of the value of the uncompleted works

Performance Bonds:

- Road Cleaning
- Road Opening
- Landscaping
- Internal Works
- External Works
- Environmental Park
- General Purpose
- Development Works – General

Significant Vegetation Bonds

As Constructed Information Bonds

Maintenance Bonds (Security)

5.2 Contributions

- Tree Planting Contribution (street trees) Koala Tree off-set Contribution
- SEQ Koala Conservation SPRP off-set Contribution

6. INFRASTRUCTURE CHARGES

Adopted infrastructure charges for development applications lodged from 1 July 2011 are not listed in this document. The infrastructure charges are subject to a Council resolution pursuant to section 113 of the *Planning Act 2016*. The resolution may be amended from time to time and in accordance with section 112 of the *Planning Act 2016*, whereby the Minister may, by regulation, change the amount of the maximum adopted infrastructure charges. Refer to [Council's website](#) for the resolution.

Superseded planning scheme policy infrastructure charges for approvals given prior to 1 July 2011 are also available on Council's website.

11.2 INFRASTRUCTURE & OPERATIONS

11.2.1 REDLANDS BOAT CLUB INC – LEASE RENEWAL

Attachment:	<u>Redland's Boat Club</u>
Authorising Officer:	Peter Best General Manager Infrastructure & Operations
Responsible Officer:	Lex Smith Group Manager City Spaces
Report Author:	Laura Twining Acting Senior Leasing Officer

PURPOSE

The purpose of this report is to gain Council approval to renew the current trustee lease to Redlands Boat Club Inc. over the whole of Lot 129 SL10826, described as 1-9 William Street Cleveland.

BACKGROUND

Council hold Lot 129 SL10826, described as 1-9 William Street Cleveland, under trusteeship from the State.

Redlands Boat Club Inc. has held a lease on this site since 1 January 1988 and built their club house in 1989. Their current lease is due to expire on 31 December 2017 and a lease renewal is requested for a term of 30 years.

The Redlands Boat Club Inc. strives to promote social interaction among its members and the community by organising fishing events, day and overnight cruising events, Friday night meals at the clubhouse, monthly members' meetings and other social boating type events.

The club offers its members a secure, locked compound for vehicle and boat trailer parking, use of a private dual lane boat ramp and pontoon, toilet and shower facilities, outdoor recreation area, use of a boat and trailer wash down bay and access to the clubhouse which includes a club hall and fully equipped commercial kitchen and bar. Their facilities encourage recreation in Raby and Moreton Bays (and beyond).

Redlands Boat Club was established in 1975, has approximately 488 members and is financially sound. Throughout the term of their current lease, the club has proven its sustainability and dedication to community support.

ISSUES

The current use of the premises was determined inconsistent with the primary purpose of reserve R3864 being Local Government. Accordingly, a Land Management Plan (LMP) was submitted to the Department of Natural Resources & Mines (DNRM) for approval of the use and proposed 30-year lease to Redlands Boat Club Inc. The LMP was approved and recorded on the reserve title.

The approved LMP states that the club has no current plans for intensification of use. It is proposed that an additional clause be included in the lease requiring a review of the LMP should the club decide to expand the clubhouse during the 30-year term.

In addition to the above, it is proposed that the new lease include a clause providing specific access provisions to Council as required, in order to complete necessary maintenance works to the adjacent breakwater and marine area.

Approval of a new lease to Redlands Boat Club Inc. will give the club more viability to continue their current community support.

The lease would comply with Council's policy in respect to leasing for a 30-year term where the lessee invests significant funds into infrastructure.

STRATEGIC IMPLICATIONS

Legislative Requirements

The *Local Government Regulation 2012* s.236(1)(b)(ii) requires that Council agree by resolution that it is appropriate to dispose of an interest in land to a community organisation, other than by tender or auction. Redlands Boat Club Inc. meets the definition of a community organisation, s.236(1)(b)(ii) applies and allows this lease of Council land.

Risk Management

- All new leases require building and public liability insurance to be maintained by the lessee.
- Facility Services conduct inspections to ensure compliance with occupant safety and building conditions, and there are clauses under the proposed lease to address any non-compliance with these.
- The last building compliance inspection was completed at Redlands Boat Club on 16 February 2017. Identified non-compliances were addressed by the club and proof was provided to the Facilities Services Unit by 27 March 2017.

Financial

Council will not incur any expenses as lease preparation costs, survey and registration in the Titles Office are to be paid by the lessee.

People

This recommendation does not have Council staff implications.

Environmental

This recommendation does not have environmental implications.

Social

Granting a new lease as outlined above will provide support to the Redlands Boat Club which is community-focussed within the Redlands area.

Alignment with Council's Policy and Plans

- Council Policy POL-3071 Leasing of Council Land & Facilities supports leases to not-for-profit community organisations.
- The Redland City Council Corporate Plan 2015-2020 is supported by this proposal, particularly:

7. Strong and connected communities

7.2 Council maximises community benefit from the use of its parklands and facilities by improving access to, and the quality of shared use of, public spaces and facilities by groups for sporting, recreational and community activities.

CONSULTATION

The Acting Senior Leasing Officer has consulted with:

- Community Land & Facilities Panel;
- Senior Engineer Marine & Water Assets;
- Service Manager City Sport & Venues; and
- Group Manager City Spaces.
