

**20150422 ITEM 16.1.1 REPORT SCHEDULE OF FEES AND CHARGES 2015-2016
Including Commercial Businesses**

Objective Reference:	A160811 Reports and Attachments (Archives)
Attachment:	Fees & Charges Schedule
Authorising Officer:	Bill Lyon Chief Executive Officer
Responsible Officer:	Grant Tanham-Kelly Financial Management and Advisory
Report Author:	Helen Griffith Mgmt Acct Commercial Business

PURPOSE

This report accompanies the proposed Fees and Charges Schedule for 2015-2016. It is a legislative requirement to publish a register of cost recovery fees and the development of the schedule is carried out during the annual budget development process.

BACKGROUND

Section 97 of the *Local Government Act 2009* provides that a local government may rely on its power as a legal entity to charge for services and facilities it supplies other than a service or facility for which a cost-recovery or other fee may be fixed.

Section 97 provides that a local government may, under a local law or resolution, fix a cost-recovery fee for any of the following:

- a) an application for the issue or renewal of a licence, permit, registration or other approval under a Local Government Act (an application fee); or
- b) recording a change of ownership of land; or
- c) giving information kept under a *Local Government Act*; or
- d) seizing property or animals under a *Local Government Act*; or
- e) the performance of another responsibility imposed on the local government under the *Building Act* or the *Plumbing and Drainage Act*.

Other Acts also make provision for a local authority to raise charges in association with activities undertaken under their jurisdiction: for example, *Sustainable Planning Act 2009* and *Right to Information Act 2009*. These charges are identified by type in the attached Fees and Charges Schedule.

ISSUES

The attached Fees and Charges Schedule for 2015-2016 has been developed as part of the 2015-2016 budget development process and is now presented to Council.

Councillor workshops have been held as part of the budget development and in adopting the Fees and Charges Schedule for 2015-2016, Council will provide the community with a clear statement of intent in relation to Fees and Charges for products and services provided by Council for the upcoming financial year.

STRATEGIC IMPLICATIONS

Legislative Requirements

Section 98 of the *Local Government Act 2009* requires a local government to keep a register of cost recovery fees. For transparency, Redland City Council publishes all its annual fees and charges and not just cost recovery fees.

Risk Management

Council benchmarks with other local governments and similar service providers on a periodic basis. Council monitors its budget variances on a monthly basis and formally reviews its budget twice yearly. Additionally, Council reviews its long term financial strategy on an annual basis and considers the weighted indices, growth and price factors.

Financial

The Fees and Charges Schedule for 2015-2016 provides the basis for the development of revenue estimates for products and services charged under the schedule for the coming financial year. The budget is being developed in accordance with the anticipated revenues from the fees and charges in the attached schedule.

The Fees and Charges have been developed using a number of methodologies, in the main factoring in an increase of internally calculated weighted price index of 2.74% on the 2014-2015 Fees and Charges. Another methodology commonly used to develop a fee or charge by council officers is that of activity based costing. Although not conducted annually, this process is used periodically to capture and cost the direct and indirect related expenditure components that are consumed in the delivery of a particular Council service or facility.

People

Nil impact expected as the purpose of the attached report is to provide the schedule of fees and charges for the 2015-2016 financial year and the increases are in line with long term strategic projections.

Environmental

Nil impact expected as the purpose of the attached report is to provide the schedule of fees and charges for the 2015-2016 financial year and the increases are in line with long term strategic projections.

Social

Nil impact expected as the purpose of the attached report is to provide the schedule of fees and charges for the 2015-2016 financial year and the increases are in line with long term strategic projections.

Alignment with Council's Policy and Plans

This report has a relationship with the following items of the Corporate Plan:

9. An efficient and effective organisation

Council is well respected and seen as an excellent organisation which manages resources in an efficient and effective way

- 9.5 Ensure robust long term financial planning is in place to protect the financial sustainability of Council
- 9.7 Develop our procurement practices to increase value for money within an effective governance framework
- 9.8 Work 'smarter' across departments, in multi-disciplinary teams to achieve continuous improvement and effective co-ordination

CONSULTATION

As part of the organisation's budget development for 2015-2016, relevant officers have developed the fees and charges with a peer review by the Executive Leadership Team and consideration at Councillor budget workshops.

A workshop was held with Councillors on 12 February 2015 with additional changes being presented at another workshop on the 7 April 2015..

Additionally briefing notes and documents containing background information on various fees and charges have also been provided to Finance during the budget development process.

OPTIONS

1. That Council resolves as follows:
 1. To adopt the Fees & Charges Schedule 2015-2016; and
 2. That this report and attachment remain confidential until the Budget 2015/16 is adopted.
2. That Council resolves not to adopt the Fees & Charges Schedule 2015-2016.

OFFICER'S RECOMMENDATION

That Council resolves as follows:

1. To adopt the Fees & Charges Schedule 2015-2016; and
2. That this report and attachment remain confidential until the Budget 2015/16 is adopted.

REDLAND CITY COUNCIL FEE SCHEDULE SUPPORTING INFORMATION

1. PHOTOCOPY FEE (Officer Assisted)

Photocopying fees are used consistently across Redland City Council and the cost per page is outlined below:

Black & White Copying			
Size	Cost	Size	Cost
A4	\$1.20	A1	\$5.95
A3	\$1.75	A0	\$6.90
A2	\$4.00		

Colour Copying			
Size	Cost		
A4	\$2.50		
A3	\$3.60		

2. PHOTOCOPY FEE (no assistance provided)

Council Libraries have photocopy machines which take a coin in the slot where you can make copies yourself.

Libraries Photocopying (A4 only)		
	Size	Cost
Black and White	A4	\$0.20
Colour	A4	\$2.00

3. GLOSSARY OF TERMS

3.1 Fee Charge Type and Acronyms

B	Bond
C	Commercial
R	Regulatory (Cost Recovery)
O	Other
FOA	Fee on Application
POA	Price on Application

3.2 Not for Profit and bona-fide charities

Bona-fide charities and not for profit organisations are classified by means of the following criteria:

1. Endorsed as a charity by the Australian Taxation Office; or
2. An incorporated association under the Associations Incorporations Act 1981 which is not a club licensed under the Liquor Act 1992; or
3. An incorporated association under the Associations Incorporation Act 1981 which is a club licensed under the Liquor Act 1992, if the applicant:
 - 3.1 Does not have an existing management agreement with another licensed club; and
 - 3.2 Has no more than 20 gaming machines licensed in accordance with the Gaming Machines Act 1991; and
 - 3.3 The applicant is the owner of the premises the subject of the development application.

Supporting documentation confirming the status as an eligible charity or not for profit organisation must be supplied with the application to receive any applicable discounts.

4. REGISTER OF COST RECOVERY FEES

As per section 98(1) of the *Local Government Act 2009* Redland City Council maintains a register of Cost Recovery Fees. This register can be obtained through Council's website or from the Corporate Meetings & Registers Team, standard black and white photocopy charges apply.

SCHEDULE SUPPORTING INFORMATION

1. REFUNDS

1.1 Refund Processing Fee

In those instances where Council is refunding part or all of a fee, a refund processing fee is payable as detailed in the table below (except in the case of Council error or for Dog or Cat Registration refunds as per item 1.3 below):

Refund Amount	Refund Processing Fee
\$0 - \$24.99	*Not applicable
\$25 - \$199.99	50% of refund amount
\$200 or greater	\$100

*Note: No refunds will be issued for amounts under \$25 except in the case of Council error.

1.2 Refund of Fees for Withdrawn Applications

If the application is withdrawn before it is decided by Council a percentage of the application fee will be refunded depending on the assessment stage reached at the time of the withdrawal:

Stage of Application	Refund Percentage
Application Stage	80%
Information and Referral Stage	50%
Notification Stage	20%
Decision Stage	Nil

Note: All requests to withdraw applications must be made in writing.

Prior to payment the total amount of the refund to be paid will be reduced by the amount of the refund processing fee as set in item 1.1 above.

1.3 Refund of Fees for Dog or Cat Registration

A pro rata refund is available for dog or cat registrations under the following circumstances:

- Death of an Animal
- Relocation from City Area
- Animal is given away

Documented evidence to support the refund request is required.

Note: Dog or Cat Registration refunds are exempt from the Refund Processing Fee.

2. PHOTOCOPY FEE (for Local Laws and Policy Documents only)

Photocopying fees are used consistently across Redland City Council and the cost per page is outlined on page 1, Redland City Council Fee Schedule Supporting Information.

Copies of a Local Law (including Certified) and Policy Documents	Cost
6 pages or less	Cost per page as per Redland City Council Fee Schedule Supporting information, page 1
7 pages or more	\$7.00

3. DISCRETIONARY FEE CALCULATIONS AND DISCOUNTS

3.1 Discretionary Fee Reduction

Requests to determine an appropriate fee or reduce the application fee when a strict application of the scheduled fee is considered unreasonable or inappropriate considering the work required to carry out the assessment of the application, or where an appropriate fee has not been set, may be approved upon application.

Requests are required to be made in writing and accompanied by relevant supporting documentation. Should the delegated officer be unable or unwilling to determine a reduced fee at the time of lodgement (for example, in the case of impact assessable applications where the potential for submissions is a factor in consideration of any discount), the applicant is to pay the scheduled fee and any discount will be determined when the application is decided, at which time any part-refund will be paid. In determining requests for fee discounts, the delegated officers are to consider and document the following factors:

1. Level of assessment – including applicable zones and overlays;
2. Likelihood of submissions objecting to the proposal;
3. Intensity, scope and scale of proposed development;
4. Number of referral agencies and complexity of referral triggers;
5. Complexity of the technical requirements in support of the applications;
6. Anticipated workload;
7. Political and community interest sensitivity; and
8. Total calculated fee according to schedule compared with fees for similar applications in Redland City Councils schedule and other Councils.

Note that all discounts and fee waivers are to be recorded in the Fee Discount Register maintained by the Community and Customer Services Department.

3.2 Missing Fee Calculation

The General Manager Community and Customer Services or the Group Manager City Planning & Assessment may determine an appropriate fee for a use or service not specified in the fee schedule.

3.3 Bona-fide Charities and not for Profit Organisations

A discount/rebate of 25% will be applied for bona-fide charities and not for profit organisations which meet the following criteria:

1. Endorsed as a charity by the Australian Taxation Office; or
2. An incorporated association under the Associations Incorporations Act 1981 which is not a club licensed under the Liquor Act 1992; or
3. An incorporated association under the Associations Incorporation Act 1981 which is a club licensed under the Liquor Act 1992, if the applicant:
 - 3.1 Does not have an existing management agreement with another licensed club; and
 - 3.2 Has no more than 20 gaming machines licensed in accordance with the Gaming Machines Act 1991; and
 - 3.3 The applicant is the owner of the premises the subject of the development application.

Supporting documentation confirming the status as an eligible charity or not for profit organisation must be supplied with the application to receive the discount at lodgement.

Note: This discount does not apply to infrastructure charges.

3.4 Accelerated DA applications

Single Dwelling Units (including Secondary Dwellings, Domestic Outbuildings and Home Businesses Accelerated Development Applications)

A discount of 50% will be applied to the application fee for Accelerated Development Assessment applications for single dwelling units (including secondary dwellings), domestic outbuildings and home businesses complying with the criteria detailed in the ***Accelerated Development Application Kits***. This discount can be applied at lodgement.

Other Accelerated Development Applications

A discount of 25% (to a maximum of \$5,000) will be applied to the application fee for other Accelerated Development Assessment applications complying with the criteria detailed in the ***Accelerated Development Application Kits***. This discount can be applied at lodgement.

Note: Completed Accelerated Development Application Kits must be submitted with the application to be eligible. If the application is determined by Council NOT to be eligible for the Accelerated assessment process the application will be considered to be not properly made until the full application fee has been paid.

3.5 Multiple discounts

Where applicants meet the criteria for multiple discounts/rebates, discounts will be applied in the following order:

1. Multiplier for level of assessment;
3. Charity/not for profit organisation; and
4. Accelerated eDA.

Discounts will be applied to the balance of the fee following the application of the previous discount.

4. RESUBMISSION OF A LAPSED APPLICATION

City Planning & Assessment Group

Where a development application for building work, plumbing and drainage work, concurrence, operational work, reconfiguring a lot, or material change of use has lapsed (excluding a lapsed application under s.266 of the *Sustainable Planning Act 2009*) and a new development application is submitted, a 25% discount of the current scheduled application fee will apply. This is subject to the following requirements being satisfied:

1. A new application is resubmitted within 6 months of a previous application lapsing; and
2. The new application is generally consistent with the lapsed application; and
3. There have been no changes to the following:
 - a. Planning Scheme provisions applicable to the proposal;
 - b. Building Act provisions applicable to the proposal;
 - c. Plumbing and Drainage Act provisions applicable to the proposal; and
4. The reduced fee is only applicable on first resubmission of a lapsed application.

Note – This discount does not apply to building document lodgement and inspection fees.

5. CONTRIBUTIONS AND SECURITY BONDS

5.1 Security Bonds

These bonds will be determined as per the Redland City Council policy. The security bonds that can be included are:

Uncompleted Works Bond: based on 120% of the value of the uncompleted works

Performance Bonds:

- Road Cleaning
- Road Opening
- Landscaping
- Internal Works
- External Works
- Environmental Park
- General Purpose
- Development Works – General

Significant Vegetation Bonds

As Constructed Information Bonds

Maintenance Bonds (Security)

5.2 Contributions

- Tree Planting Contribution (street trees) Koala
- Tree off-set Contribution

Vehicular Ferry Service (Vessel Licence)					
Calculations for Vehicular Ferry Service fees are charged using the following method (inc GST): {Vehicular Ferry Service Licence multiplied by the number of different RCC sites the vessel visits}+{number of landings the vessel makes per annum multiplied by the Vehicular Ferry Service (Activity Licence)}+{ Application Fee}. For example, a 8-100 Gross tonnage vessel that lands at 2 sites approx 4,680 times per year, is calculated as (\$1338.70 x 2)+(4,680 x 3.66)+\$245.10=\$20,051.30 p.a.					
Gross Tonnage Range of 100 or less	per annum - per vessel multiplied by the number of facilities	1,255.00	125.50	1,380.50	C
Gross Tonnage Range of 101 - 200	per annum - per vessel multiplied by the number of facilities	2,405.00	240.50	2,645.50	C

Description	Unit	14-15 Base Charge \$	GST \$	14-15 Final Charge \$	Type
Gross Tonnage Range of 201 - 400	per annum - per vessel multiplied by the number of facilities	3,055.00	305.50	3,360.50	C
Gross Tonnage Range of 401 - 600	per annum - per vessel multiplied by the number of facilities	4,515.00	451.50	4,966.50	C
Gross Tonnage Range of 601 or above	per annum - per vessel multiplied by the number of facilities	FOA	GST	FOA	C
Vehicular Ferry Service (Activity Licence) (Charter operators to provide an estimate otherwise 104 landings p.a. Will be applied)	Multiplied by the number of landings	3.40	0.34	3.74	C
Passenger Ferry Service (Vessel Licence) Calculations per annum for Passenger Ferry Service (Vessel Licence) are charged using the following method (incl GST): {Passenger Ferry Service (Vessel Licence) by the number of different RCC sites the vessel visits}+{number of landings the vessel makes per annum by the Passenger Ferry Service (Activity Licence)}+{ Application Fee}. For example, a 9.0 tonne Ferry Service Vessel which lands at 5 sites approx 18,850 times per year, is calculated as: (\$1,893.10 x 5) + (18,850 X 2.11) + \$245.10 = \$49,484.10 p.a.					
Gross Tonnage Range of 3 or less	per annum - per vessel for all RCC facilities	0.00	0.00	0.00	C
Gross Tonnage Range of 4 - 9	per annum - per vessel for all RCC facilities	1,780.00	178.00	1,958.00	C
Gross Tonnage Range of 10 - 19	per annum - per vessel for all RCC facilities	3,560.00	356.00	3,916.00	C
Gross Tonnage Range of 20 - 29	per annum - per vessel for all RCC facilities	5,340.00	534.00	5,874.00	C

Description	Unit	14-15 Base Charge \$	GST \$	14-15 Final Charge \$	Type
Gross Tonnage Range of 30 or above	per annum - per vessel for all RCC facilities	7,650.00	765.00	8,415.00	C
Passenger Ferry Service (Activity Licence) (Charter operators to provide an estimate otherwise 104 landings p.a. Will be applied)	Multiplied by the number of landings	2.00	0.20	2.20	C
Jetty (Activity Licence)	per activity per facility per annum	3,670.00	367.00	4,037.00	C
