The Council is satisfied that, pursuant to Section 275(1) of the *Local Government Regulation 2012*, the information to be received, discussed or considered in relation to this agenda item is:

(c) *the local government's budget.*

PURPOSE

This report accompanies the proposed Register of Fees 2019-2020. It is a legislative requirement to publish a register of cost recovery fees and the development of the schedule is carried out during the annual budget development process.

BACKGROUND

Section 97 of the *Local Government Act 2009* provides that a local government may rely on its power as a legal entity to charge for services and facilities it supplies other than a service or facility for which a cost-recovery or other fee may be fixed.

Section 97 provides that a local government may, under a local law or resolution, fix a cost-recovery fee for any of the following:

- a) an application for the issue or renewal of a licence, permit, registration or other approval under a Local Government Act (an application fee); or
- b) recording a change of ownership of land; or
- c) giving information kept under a Local Government Act; or
- d) seizing property or animals under a Local Government Act; or
- e) the performance of another responsibility imposed on the local government under the Building Act or the Plumbing and Drainage Act.

Other Acts also make provision for a local authority to raise charges in association with activities undertaken under their jurisdiction: for example, *Planning Act 2016* and *Right to Information Act 2016*. These charges are identified by type in the attached Register of Fees 2019-2020.

ISSUES

The attached Register of Fees 2019-2020 has been developed as part of the 2019-2020 budget development process and is now presented to Council for adoption.

Workshops have been held as part of the budget development and in adopting the Register of Fees 2019-2020, Council will provide the community with a clear statement of intent in relation to fees for products and services provided by Council for the upcoming financial year.

STRATEGIC IMPLICATIONS

Legislative Requirements

Section 98 of the *Local Government Act 2009* requires a local government to keep a register of cost recovery fees. For transparency, Redland City Council publishes all its annual fees and not just cost recovery fees.

Risk Management

Council benchmarks with other local governments and similar service providers on a periodic basis. Council monitors its budget variances on a monthly basis. Additionally, Council reviews its long term financial strategy on an annual basis and considers the weighted indices, growth and price factors.

Financial

The Register of Fees 2019-2020 provides the basis for the development of revenue estimates for products and services charged under the schedule for the coming financial year. The budget is being developed in accordance with the anticipated revenues from the fees in the attached schedule.

The fees have been developed using a number of methodologies, mainly factoring in an indexation on the 2018-2019 fees. Other methodologies used to develop a fee by council officers are that of activity based costing, benchmarking, full cost recovery and legislation. Although not conducted annually, activity based costing is used periodically to capture and cost the direct and indirect related expenditure components that are consumed in the delivery of a particular Council service or facility.

3. DISCRETIONARY FEE CALCULATIONS AND DISCOUNTS

3.1 Discretionary Fee Reduction

Requests to determine an appropriate fee or reduce the application fee when a strict application of the scheduled fee is considered unreasonable or inappropriate considering the work required to carry out the assessment of the application, or where an appropriate fee has not been set, may be approved upon application.

Requests are required to be made in writing and accompanied by relevant supporting documentation. Should the delegated officer be unable or unwilling to determine a reduced fee at the time of lodgement (for example, in the case of impact assessable applications where the potential for submissions is a factor in consideration of any discount), the applicant is to pay the scheduled fee and any discount will be determined when the application is decided, at which time any part-refund will be paid. In determining requests for fee discounts, the delegated officers are to consider and document the following factors:

1. Level of assessment – including applicable zones and overlays;
2. Likelihood of submissions objecting to the proposal;
3. Intensity, scope and scale of proposed development;
4. Number of referral agencies and complexity of referral triggers;
5. Complexity of the technical requirements in support of the applications;
6. Anticipated workload;
7. Political and community interest sensitivity; and
8. Total calculated fee according to schedule and compared with fees for similar applications in Redland City Council's supporting schedule as well as other Councils.

A required fee may be refunded or waived under Council's POL-3120 Discounts and Waivers of Fees, Charges and Infringements Policy or the *Planning Act 2016*, section 109.

1. Circumstances for waiving all or part of a required fee apply to –
 - a) A development application; or
 - b) A change application; or
 - c) An extension application; or
 - d) The referral, under section 54 of the *Planning Act 2016*, of a development application or change application to a referral agency.
2. For section 109(b) of the *Planning Act 2016*, all or part of the required fee for the application or referral may be waived if the application or referral is made by a registered non-profit organisation.

Note that all discounts and fee waivers and discounts are to be recorded in the Fee Discount Register maintained by the administering group.

3.2 Missing Fee Calculation

The General Manager Community and Customer Services or the Group Manager City Planning & Assessment may determine an appropriate fee for a use or service not specified in the fee schedule.

3.3 Bona-fide Charities and Not for Profit Organisations

A discount/rebate of 25% will be applied for bona-fide charities and not for profit organisations which meet the following criteria:

1. Endorsed as a charity by the Australian Taxation Office; or
2. An incorporated association under the *Associations Incorporation Act 1981* which is not a club licensed under the *Liquor Act 1992*; or
3. An incorporated association under the *Associations Incorporation Act 1981* which is a club licensed under the *Liquor Act 1992*, if the applicant:
 - 3.1 Does not have an existing management agreement with another licensed club; and
 - 3.2 Has no more than 20 gaming machines licensed in accordance with the *Gaming Machine Act 1991*; and
 - 3.3 The applicant is the owner of the premises the subject of the development application.

Supporting documentation confirming the status as an eligible charity or not for profit organisation must be supplied with the application to receive the discount at lodgement.

Note: This discount does not apply to infrastructure charges.

3.4 Multiple Discounts

Where applicants meet the criteria for multiple discounts/rebates, discounts will be applied in the following order:

- Charity/not for profit organization; then
- Other discounts.

Discounts will be applied to the balance of the fee following the application of the previous discount.

4. RESUBMISSION OF A LAPSED APPLICATION

City Planning & Assessment Group

Where a development application for building work, operational work, reconfiguring a lot, or material change of use has lapsed and a new development application is submitted, a 25% discount of the current scheduled application fee will apply. This is subject to the following requirements being satisfied:

1. A new application is resubmitted within 6 months of a previous application lapsing; and
2. The new application is generally consistent with the lapsed application; and
3. There have been no changes to the following:
 - a. Planning Scheme provisions applicable to the proposal;
 - b. *Building Act* provisions applicable to the proposal; and
4. The reduced fee is only applicable on first resubmission of a lapsed application.

Note – This discount does not apply to building document lodgement and inspection fees.

5. CONTRIBUTIONS AND SECURITY BONDS
